RE: Tentative Schedules

In order to insure a smooth transition into the 2018-2019 school year, please log on to the parent portal and view your child's tentative schedule. **Schedules will be available on August 23, 2018.** If you are experiencing technical difficulty, please contact our Guidance department. The tentative schedule should allow you to check the following:

1. Scheduling Conflicts (i.e., two courses scheduled at the same time, or an advanced course taken before or without the beginning course).
2. Failure to meet a course prerequisite
3. Total Credits – All students must carry at least 6.5
4. Missing core course (Math, Science, English, Social Studies, PE/Health)
5. In order for students to be eligible for the Honor Roll, sports and certain extra-curricular activities the student must be carrying a full course load (see number 3)
6. Please refer to The Guide about the Add/Drop policies of classes.

If you detect a problem, please call 488-7291 and give the following information:

- a. name of student
- b. grade
- c. counselor's name
- d. number of problem listed above and courses involved
- e. phone number or email address where you can be contacted

Paper schedules will be available to students on the first day of school.

Thank you for your cooperation.
