## IMPROVED LEARNING FOR EVERYONE

*The mission of Branford High School is to prepare students to be independent and collaborative learners who are responsible, informed, and contributing members of society. In partnership with the community, we strive to provide a learning environment that supports all students in embracing diversity, acting with integrity, and achieving their personal and academic potential.*

### **B.H.S. COMMUNITY AND ACADEMIC STANDARDS COMMITTEE**

The Community and Academic Standards Committee (CASC) reviews proposals for changes in Branford High School's educational program, and civic, social and academic expectations. The committee is responsible for establishing and, when needed, modifying guidelines that affect the academic program and school climate at Branford High School. Any pertinent issue brought to its attention will be discussed, input will be received, and a recommendation made to the Principal. Before any action is taken, input from departments and the faculty will be solicited. The committee will seek to achieve consensus on all issues.

#### **CASC membership includes:**

- Department Leaders
- One representative from each department
- Student representatives from each class [1 from the Freshman & Sophomore and 2 from the Junior and Senior classes] and
- Parent representatives from each class.

The elected co-chairs facilitate the committee's discussion and publish a summary of each CASC meeting.

The CASC meets once per month @ 2:35 on the first Tuesday of the month in the Class Act Room.

**All meetings of the Community and Academic Standards Committee are open to any member of the BHS Community.**
