## **SENIOR PORTRAIT REMINDER**

Hello Class of 2019:

I hope everyone is having an enjoyable summer. This is another friendly reminder that all senior portraits for the Class of 2019 must be completed by September 1, 2018. You should have received a packet of information from our school photographer, Steady Photography, via mail at the end of June. All portraits must be taken by Steady Photography.

Please visit [www.steadyphotography.com](http://www.steadyphotography.com) for more information and schedule your appointment as soon as possible.

Thank you!
