

Summer 2018

Dear Parents and Students of Team 6-1,

Welcome to Team 6-1! We are excited to meet all of you, and we know that we'll have a fantastic year together. We hope that you are enjoying your summer and taking some time to relax. Feel free to contact us via email if you have any questions or concerns about the beginning of the year. We look forward to working with you!

Here are some helpful reminders:

- The 6th grade supply list is organized by subject. Feel free to label your materials with your name and team number before you arrive to school;
- Please bring in your summer reading pledge and the list of the books you've read when you return to school;
- Prior to the start of the school year, please be sure to review any school related emails outlining the changes to the Walsh handbook and changes in our daily routine.

Thank you,
