

Dear Team 6-2 Student,

Welcome to sixth grade and to Team 6-2! The first day of school will be here before you know it, and we are writing to you now so you will have time to get yourself organized before you return to school. Look for the 6th Grade Supply List on the WIS Website. Labeling class materials is highly recommended for notebooks and folders. In addition, students should bring in a silent reading book to have in school.

Families have found that using the Infinite Campus Parent Portal is extremely useful for tracking grades and assignments. The link for Infinite Campus can be found on the Branfordschools.org homepage.

In June students made a pledge to read a certain number of books and keep track of the books they have read. It is not necessary to bring these in on the first day. Mrs. Alberino will let you know when those discussions will happen in their Language Arts class and when to bring their pledges in to class. This will happen within the first few weeks of school.

Our team classrooms are located on the second floor directly around the corner from the fifth grade hallway. However, Ms. Hatch can be found in the Science Lab downstairs in the E Area. We hope that you are enjoying your summer vacation and we look forward to meeting you in September.

Sincerely,

Mrs. Alberino (Language Arts Area 2c1) [lalberino@branfordschools.org](mailto:lalberino@branfordschools.org)

Ms. Hatch (Science Lab Area 1G2) [chatch@branfordschools.org](mailto:chatch@branfordschools.org)

Ms. Iovanne (Math Area 2D4) [jiovanne@branfordschools.org](mailto:jiovanne@branfordschools.org)
