

Team 7-1 Information

Dear Students and Parents,

Welcome to Team 7-1! We (your Team 7-1 teachers) are looking forward to the 2018-2019 school year and hope you are, too. There are several things we would like to tell you about before you join us on September 4th.

A very important part of our team is **mutual courtesy and respect**. You will find that we do our best to model this behavior in how we treat each other and how we treat you. In turn, we expect you to treat us and your fellow students with the same courtesy and respect. When we are all treating each other with respect, we all end up having a good year!

Responsibility is a very important character trait for students on Team 7-1. Seventh grade is a giant step forward in your school lives and with the new freedom of walking to classes on your own. It comes with the responsibility of getting there on time and having all the necessary materials needed for that class with you. The materials you'll need for each class will be a pen or pencil, your completed homework, and any other assigned materials for a particular class.

On the first day of school we will provide you with two copies of your schedule: one will go in your assignment book and the other you may tape to the inside of your locker door. This will help remind you of the classes you'll be going to next so you can take the correct materials from your locker. You will be allowed to go to your locker at specific points throughout the day - but NOT during a class if you forgot something.

Communication is very important. We will give you our **email addresses** as it is the preferred method of communication for day-to-day things. Our email is open to both students and parents. Parents may also call us at school or send us a note asking us to call back. (Please don't leave us a voice mail message as we have difficulty checking voice mail while it is quite easy to check our computers for email. If you call W.I.S. and can't reach us, leave a message with a real person... thanks!)

All of us love teaching. We love the subjects and the students we teach. So, get ready to learn with us and enjoy your 7th grade year!

Sincerely,

The Team 7-1 Teachers

Homeroom (this will be the teacher you have for Period 1)

If you can, please donate one box of tissues, hand sanitizer, and a small box of Band-Aids to your homeroom for the year. The school does not provide these items and they are most beneficial to all throughout the year. Any and all contributions will be greatly appreciated! Students WILL need earbuds daily, so please have them equipped!

Science – Mrs. Healy

Hardcover Composition Notebook
Folder
Calculator
Pencils and Highlighters
kehealy@branfordschools.org

Math - Mr. Butler

Pencils
2 Subject Notebook for MATH
2 Folders for Math Materials
A basic calculator (same for science)
sbutler@branfordschools.org

Spanish – Ms. MacDougall

Pens or pencils
1 Subject Notebook for Span.
3" x 5" index cards
highlighters
smacdougall@branfordschools.org

World Studies – Mr. Perugini

Pencils or pens
A notebook with built in pockets
An EXPO marker
3" x 5" Index Cards
tperugini@branfordschools.org

English - Mrs. Reiss

Pens or pencils
A single subject notebook with a folder
Independent Reading Book
Highlighters
sreiss@branfordschools.org
