

Summer 2018

Dear Team 8-1 Student and Parents,

Your 8th grade year at Walsh Intermediate School is a special experience and one we are looking forward to sharing with you. We know this will be a memorable year.

It is important to have the proper supplies to help you achieve your academic goals. Please refer to the eighth grade supply list to be prepared for the materials you will need this year.

As a team we hope to provide each student with the opportunity to excel in all areas of performance by teaching the skills and providing the support necessary. Enjoy your last days of summer vacation, and get ready for your best year yet.

Best wishes,

Team 8-1 teachers
