

HIGH SCHOOL INFORMATION

MS. O'BRIEN, SCHOOL COUNSELOR
COOBRIEN@LEARN.K12.CT.US

What to look for in a High School

- Where is the school located?
- What is the size of the school and what is the student to teacher ratio?
- What type of special programs are offered?
- What is the music and art program like?
- What clubs are offered?
- What sports are offered?
- What types of classes are offered?
- Can you earn college credit?

Pay Attention to Deadlines and Requirements

- If DLAMMS needs to fill out information such as school records then the application must be given to Ms. Yalibi **2 weeks** before deadline
- If teacher and counselor recommendations are needed, then we need to be asked **2 weeks** weeks before the deadline.
- **ALL APPLICATIONS MUST BE SUBMITTED BEFORE WINTER BREAK!!!!**

Ledyard Agri-Science & Technology

- Agri-Science & Technology is an elective course offered in conjunction with required high school classes.
- The Agri-Science Department offers career training in a variety of areas such as Animal Science, Aquaculture, Natural Resources, Agricultural Mechanics/Technology and Plant Science.
- All Agri-Science students are required to develop a Supervised Agricultural Experience (SAE) program.
- The purpose of the SAE program is to help students prepare for a career through practical experiences outside class work.
- Students will develop a personalized program with the assistance of a teacher/advisor.

Ledyard Agri-Science & Technology

Admissions:

Open house: November 10, 2016 6:30 PM- 8:00 PM

Application deadline: December 31, 2016

- Acceptance based on records
- Application can be filled out online or in print
- Agricultural interest page: reason(s) you want to study agriculture; previous agricultural experiences; how you will benefit from being part of the center; and how the center would benefit from having you as a student.
- Interview
- Teacher and counselor recommendation
- School records

<http://www.ledyardagriscience.com/>

Ledyard Agri-Science & Technology

- The Ledyard Agri-Science Program will be interviewing 8th graders who are interested in applying to our program for the 2017-18 school year.

Go to: <http://www.signupgenius.com/go/10c0b4dacaf2ca4fe3-8thgrade> to schedule your interview. When signing up, please use the student's name rather than the parent's name.

Prior to your interview, please come prepared to respond to the following:

1. Why do you want to join the Ledyard Agri-Science Program
2. Provide evidence of your agricultural interest or experience
3. What opportunities for a Supervised Agricultural Experience (SAE) do you currently have? Please refer to the class tab and click on SAE for more details
