Tristan Dubreuil Named MSMHS Student of the Month

GROTON, CT - Senior Tristan Dubreuil, *Preston*, is the true renaissance man at MSMHS. He is involved in a variety of clubs and activities and has achieved academic excellence at the highest level. Moreover, Tristan has developed the skills to become an admired leader amongst his peers at MSMHS. For these reasons, Tristan Dubreuil is the MSMHS Student of the Month.

Tristan is the captain of the Ocean Science Bowl Team that will compete for the title in the Quahog Bowl in a few weeks at UConn Avery Point. Furthermore, he is a member of the student council, National Honor Society, a novice fencer for the MSMHS Fencing Team, and a leader on the Varsity Debate Team. This past week, Tristan finished third overall at Trumbull High School where he competed amongst 200 other Connecticut students. Tristan's third place finish qualifies him for the Connecticut Varsity Debate Championships. Tristan is the first MSMHS student to qualify for the Varsity State Tournament.

Tristan is a high honor roll student who finished quarter two with straight A's in a rigorous course load including AP Calculus, AP Biology, AP Literature, AP Human Geography, ECE Marine Biology, and Honors Physics. Like several of our seniors, Tristan is still waiting to hear back from several colleges before deciding on where he will pursue his studies. One thing is for sure, Tristan will be a success no matter where he chooses to go! Congrats Tristan!
