Sophomore Priscilla Eang Named Student of the Month

GROTON, CT - The majority of students at the Marine Science Magnet High School show their belief in the research based motto, *Effort Creates Ability*. However, for those who know the sophomore from Norwich well; Priscilla adds the word *maximum* to the beginning of this saying.

No one will argue that Priscilla Eang is one of the hardest working students in and out of the classroom. Eang is the sophomore class President and a member of the Ledyard High School Volleyball Team and MSMHS Fencing Team. Her rigorous academic schedule includes every honors course a sophomore is eligible for including the University of Connecticut ECE Maritime History course.

Priscilla has been named to the high honor roll list each of the six quarters since coming to MSMHS. Her efforts rank her top in her class amongst all sophomores. In addition, Priscilla is always looking to improve. Her drive for success in academics and leadership is admired amongst peers and staff .

Congratulations to Priscilla! Keep up the tremendous effort and drive.

Warner Voted into National Honor Society

Congratulations to MSMHS senior, Lindsay Warner, who was unanimously voted in by the MSMHS faculty.

Lindsay, *Lebanon, CT*, is a high honors student who is a member of the Student Council, Peer Mediation Team, and a varsity member of the Windham Co-Op Swimming Team. Lindsay also helps lead the MSMHS Girl's Group with Ms. Sklar.

Lindsay's is hoping to continue her studies in Marine Science in college with the ultimate goal of teaching at none other than MSMHS!
Congrats to Lindsay and her family! Well deserved.
