*that are true from the desk of Dr. Spera*

*Week of October 6, 2014*

## Picture Day on Wednesday, Senior Portraits on Wed & Thurs

*A few of our amazing sophomore students!*

GROTON, CT - This Wednesday, all freshman, sophomore, and junior students will have their pictures taken first thing in the morning upon arrival. Three photographers from Steady Photography located in Branford, CT will be on campus from 6:30 am until the end of the day.

Students who wish to order a package must have their forms filled out with payment. Steady Photography accepts cash, checks, or credit cards (MasterCard and Visa only). If any families are in need of financial assistance and wish to have a photo package of their student, please contact Dr. Spera via phone or email at: nspera@marinesciencemagnet.org.

Senior yearbook portraits will be taken on Wednesday and Thursday. All photo sessions are free of charge. Students will have the opportunity to take a formal photo and/or a few different action photos. A few weeks following this week's photos, seniors and their families will have the opportunity to view their photos and choose one for the 2015 MSMHS Yearbook: *The Navigator*. Families can purchase any of the photos 'a la carte' in a multitude of sizes from Steady Photography. Seniors with the last names: 'Abstetar' to 'Luboff' are on Wednesday; 'M' to 'Woods' are on Thursday.

### Woods Receives Eugene Atwood Award

On September 22nd, the Trustees of The Eugene Atwood Award named MSMHS Senior Class President, Montana Woods, a recipient of a \$1,000 scholarship.

Applicants from 19 high schools were selected for the scholarship that was established in 1916 by Mr. Eugene Atwood of Stonington, CT. The purpose of the scholarship is to aid deserving, industrious young people who are making an honest effort to accomplish the best results in life.

Montana is a member of the National Honor Society who holds leadership positions as the captain of the Fencing Team, Vice-President of the Student Council, and President of the senior class. She is currently a classroom intern for Mrs. Hardison as she pursues a degree in education. Montana's combination of academics, leadership, community service, and desire to educate children was recognized by the scholarship committee. Congrats Montana!

### Interact Cleans Up MSMHS

The MSMHS Interact Club collected 6 large garbage bags of litter around school grounds today. The collection was one of the many community service projects that the club will perform throughout the year.

Thanks for helping out Interact!
