GROTON, CT - The energy during Spirit Week at MSMHS was exhilarating! Each day, over 70% of the school participated in each of the designated spirit days. Our students certainly showed MSMHS pride with some of their outfits! Their effort, energy, and participation on the designated themed days were definitely the best seen at MSMHS. Friday's battle of MSMHS Color Wars went to the Seniors who earned 100 points for their win. In addition to the Color War Battle, the first ever Fish Bowl provided another intense battle on the football field with the Juniors winning 30-28 on a late touchdown run by Mrs. Hardison with 19 seconds left.

This year, Spirit Week took on more of a competitive tone than ever before. Each class earned points for the percentage number of students in each class participating on each day and points for items donated to the PTO Thanksgiving Baskets. The incentive for the winner is a Dunkin' Donuts breakfast with all of the fixings on Wednesday morning.

After counting and sorting through the 1,100+ items donated, the Seniors won by just 8 points over the Sophomores who finished second. The Freshmen and Juniors finished third and fourth respectively.

We would like to thank all of the MSMHS families who donated and supported our Thanksgiving Drive. Your generosity and commitment to our school is amazing!
