that are true from the desk of Dr. Spera

Week of December 1, 2014

## Gator's Got Talent Returns to the Great Hall Stage this Friday

GROTON, CT - This Friday marks the 2nd Annual *Gator's Got Talent* at 6:30 pm in the Great Hall. For those who were in attendance for last year's GGT, I am sure you remember how incredible the performances were from our talented MSMHS students. This year, we expect another packed crowd for the remarkable performances. MSMHS students will showcase their incredible talents through singing, dancing, and instrumental performances.

Returning as emcees for the event are Montana Woods and Kojo Nsiah-Asante. Last year's second place finisher and top vocalist, Triana Portella (pictured left with Mr. Regan), returns to the stage with several other students including third place finisher Mariah Abstetar.

Tickets for *Gator's Got Talent Show* will be available in the main office and at the door for \$5. Proceeds benefit the MSMHS Dance Team.

## Thank You for Your Donations to Support Our Deserving MSMHS Families

Once again, our students and families showed incredible support for our MSMHS families in need of a Thanksgiving meal. The final count of items donated for the Thanksgiving Drive ended with 1,145! A total of 21 baskets and turkeys were delivered.

From the 20 homemade apple crumb pies made by the Green Family to countless donations of turkeys, money, and ingredients, our school community of caring parents, teachers, and students continue to show why our school is like no where else! **Thank you all for your wonderful generosity!**
