GROTON, CT - This Saturday, the MSMHS Ocean Science Bowl Team broke the school record for the highest overall finish by placing 3rd overall in New England. The team of five coached by third year Coach Ferland, advanced to the semi-finals by defeating previous top finishers Waterford High School and Narragansett High School (RI).

MSMHS lost in the semi-finals to this year's champions, Coginchaug High School out of Durham, CT.

Last year, the MSMHS Ocean Science Bowl Team finished in the top 10 for the first time. This impressive performance was commented on by several of the judges and officials in attendance.

The efforts of team and Coach Ferland since the beginning of the school year certainly paid off!
