USCGA Rear Admiral Stosz to Speak at First MSMHS Graduation

GROTON, CT - The first-ever MSMHS graduation just got that much better with the guest speaker acceptance from the Superintendent of the United States Coast Guard Academy, Rear Admiral Sandra L. Stosz. It is truly a privilege and honor to have the Rear Admiral at our historic graduation in June.

Rear Admiral Stosz assumed the duties of the 40th Superintendent of the U.S. Coast Guard Academy on June 3, 2011. She reported to the Academy after serving as the Director of Reserve and Leadership at Coast Guard Headquarters in Washington, D.C. Rear Admiral Stosz has been awarded three Legion of Merit Medals, four Meritorious Service Medals, two Coast Guard Commendation Medals and two Coast Guard Achievement Medals throughout her career. Furthermore, the USCGA Superintendent has developed a strong partnership with Dr. Spera and the MSMHS Family.

The historic MSMHS Graduation will be held on June 17th at 6 pm at UConn Avery-Point. Following the ceremony, friends and family can join us in the Branford House for a special celebratory reception.

INTERACT CLUB CELEBRATES EARTH DAY

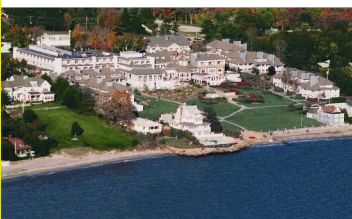

Last week, the MSMHS Interact Club celebrated Earth Day in the much needed sunshine.

Interact members found designs for creating their own bird feeders to decorate the trees on the MSMHS campus. They even added their own MSMHS touch by creating anchor- and fish-shaped feeders.

Thanks for your efforts Interact!
