GREEN NAMED SEMI-FINALIST FOR GOVERNOR'S SCHOLAR AWARD

GROTON, CT - Katherine Green is a semi-finalist for the Connecticut Governor's Scholars Award Program which is sponsored by the Connecticut Association of Schools. The award is given to the top 80+ juniors in Connecticut based upon a student's grade point average, class rank, PSAT scores, CAPT scores, and written essay. In addition, Kate is the recipient of the April MSMHS Student of the Month Award.

The junior from Stonington, is serving her third year as Student Council President. In addition, Kate has been involved in several clubs and activities at MSMHS. Her leadership with the organization of Freshmen Orientation and Open House were exemplary and impressive to all involved. Furthermore, Kate is working closely with her peers to organize the first-ever MSMHS Field Day which will be held on June 2, 2014. Moreover, Kate is involved in athletics at Stonington High School where she is a member of the varsity sailing and lacrosse team. Kate was also a varsity member of the MSMHS girls foil team that was ranked 7th in Connecticut.

With all the efforts that Kate puts into co-curricular activities, she still gets it done in the classroom. She has made high honors each quarter at MSMHS and is taking a rigorous course load of AP Chemistry, AP Environmental Science and ECE Marine Science while maintaining the highest GPA amongst the class of 2015 with a 4.32. Last month, Kate was named to the MSMHS National Honor Society. Congrats Kate!
