MSMHS STUDENTS MAKE A RUN FOR STATE CHAMPIONSHIP

Kate Green (left) and Cassie Woods (right) look to win the states.

GROTON, CT - Fitch softball player, Cassie Woods, and Stonington lacrosse player, Kate Green, are varsity athletes making a run towards the state championship in their respective sports. Each of the MSMHS students have played a critical role towards a successful season. The unique similarity amongst the two seasons is that both Stonington High School Girls Lacrosse and Fitch High School Softball had perfect regular seasons this year.

Kate Green is in her second year playing varsity for the Stonington Bears who finished the regular season with a 18-0-0 record. This was the first time in school history that the girls lacrosse team has recorded a perfect regular season. Kate is a defensive specialist who has helped to preserve Stonington's perfect season. Stonington plays Old Lyme in Waterford, CT tomorrow night at 6 pm for the opportunity to play in the State Finals!

Cassie Woods is the starting leftfielder for the Fitch Softball Team. The freshman from Mystic has been a key contributor in the perfect 22-0 record which has given them the number 1 seed for the Class L

State Championship. In last week's quarterfinal game against Maloney High School, Cassie led off the 7th with her team facing elimination down one run. The gritty freshman singled to left and eventually scored the tying run which led to the win and a chance to play in the state championship game. Fitch plays on Wednesday against the 5th seeded Lauralton Hall in West Haven, CT. Good luck to both students in their upcoming semi-final games. The MSMHS Family will be cheering!
