## 1st Annual College Decision Day at MSMHS on November 4th

University of  
**Hartford**

GROTON, CT - When two principals get together to figure out how they can collaborate, great things happen. Last year, Three Rivers Middle College Principal, Brad Columbus, and Dr. Spera came up with the idea of having students interviewed and accepted on the spot during the school day. Today the dream became reality when five colleges confirmed that they will interview students on November 4th; four of the five colleges will accept the students on the spot! In addition, one of the schools stated that they will award scholarships to students on the 4th!

Here's how College Decision Day works:

- Students must complete an application to any or all of the schools listed on the left by Wednesday, October 26th (JWU by Friday, October 21st)
- On November 4th, students will be interviewed by college admission officers from each of the schools and will find out if they have been accepted to the college (except for Sacred Heart University)
- Based on academic merit, Johnson & Wales University will award scholarships to some of the students accepted.

This is a great opportunity for all of our seniors! See your counselor ASAP!

### MSMHS FISH BOWL III - FRIDAY, NOVEMBER 18th

GROTON, CT - Mark it on your calendars. The Third Annual Fish Bowl Game is like no other powder puff football game around!

On Friday, November 18th, the women of the junior and senior classes will compete against one another in a flag football game called the Fish Bowl. The faculty draft happened last Friday when the seniors picked Mrs. Hardison and Mrs. Turano as teammates and Mr. Gonzales as

their coach. The juniors chose Ms. Calano and Mrs. Knuijt along with Ms. Andruskiewicz as their coach. Dr. Spera and Mr. Litvinoff will officiate the game. More info to come soon!
