MSMHS Boys Epee Makes School History Qualifying for States

(left to right) Finn Miller, Johann Heupel, Wyatt Sabilia

NEW HAVEN, CT - On Saturday afternoon, the MSMHS Boys Epee team showed up in a big way at the Connecticut Fencing Individual Championship held at the Hopkins School in New Haven, CT.

Nearly 100 fencers from around Connecticut entered the epee state championship in hopes of placing in the highest ranking possible for the purpose of allowing their school to be amongst the top eight teams. MSMHS varsity epee fencers, Finn Miller, *Killingworth*, Wyatt Sabilia, *Waterford*, and Johann Heupel, *Groton*, were able to place 23rd, 25th, and 53rd respectfully; earning a spot in the top eight with a total of 101 points.

The Varsity group will continue to practice throughout the week with the goal of bringing home another state championship trophy like last year's Girls Epee Team. Good luck fellas!!

May Courtney Student of the Month

GROTON, CT - It doesn't happen often that a freshman is named Student of the Month. However for the first time this year, May Courtney, *North Stonington*, was named the February MSMHS Student of the Month from Dr. Spera in front of the MSMHS Family assembled in the Great Hall during morning meeting.

As the tradition continues for all Student of the Month Award winners, May had to give an impromptu speech in

front of the entire student body and staff. She stated that her favorite aspect of MSMHS is the family-like atmosphere where everyone is willing to help out in anyway.

May excels in the classroom with high honors and has nothing lower than an A+ in all seven of her classes. In addition to her outstanding academic ability, May is involved in almost every club at MSMHS. She was member of the MSMHS Novice Debate Team that won the Southeastern Connecticut Debate Championship a few weeks ago and is also a member of the Interact Club, Art Club and Fencing Team. Outside of school, May is involved in karate where she recently earned her first degree black belt!

May brings a wonderful attitude to school everyday. Her work ethic and attitude is remarkable for a student her age. Congrats to May and her family! Keep up the great work!
