Class of 2016 Commencement Ceremony Next Thursday

GROTON, CT - The weather forecast for the Commencement Ceremony for Thursday, June 9th looks somewhat promising! Partly cloudy, 72° F with a 40% chance of rain. Let's hope that the rain stays away for this event!

Plans are being finalized for this year's graduation being held at the University of Connecticut Avery Point beginning at 6 pm. We are hoping many of our MSMHS Family members will be able to attend this important and historic event. This is the first class that was recruited at their local middle schools. This class was instrumental in the development of our great culture and climate. They are certainly: *Living Legends!*

Each year, our staff meets with UConn officials and the CT State Police regarding graduation procedures, parking, and access. Please take note of these important policies and procedures so that this graduation remains about the celebration of

the accomplishments of our incredible students. The purpose of these policies is to ensure the safety of all UConn and MSMHS Family members as well as respecting the wishes of UConn Avery Point who have graciously agreed to host this graduation again.

All visitors will be allowed to enter the UConn Avery Point campus for the event **beginning at 4 pm**. People who attempt to reserve seats or hold seats with personal items prior to 4 pm, will have their items removed and held at the UConn Security Office. Furthermore, we kindly that out of respect and safety for those in attendance, that guests do not bring or use air horns or any other noisemakers. Any guests needing to drop off an MSMHS Family member close to the event because of physical limitations should call Bonnie MacHaffie 860-448-9380 for accommodations and instructions. We do the very best to accommodate our family. Looking forward to an amazing night!

Mr. Contos Receives Yearbook Dedication

Don't miss out on owning a copy of the 2016 MSMHS Yearbook: NAVIGATOR. This year's yearbook is dedicated to our amazing school counselor, Mr. Contos. Yearbook Editor, Elise Huysman, presented Mr. Contos with the yearbook in front of the entire school.

Yearbooks are \$80 each and can be purchased in the main office while supplies last.

USCGA Bound Hanson May Student of the Month

On June 27th, Marissa Hanson will begin her college career at the United States Coast Guard Academy. This tremendous accomplishment is a true reflection of her tremendous academic and leadership skills. Marissa finishes her career with a GPA above a 4.3 and is a active participant in athletics at MSMHS and Fitch High School. Described by many as the happiest student in the school, Marissa always has a smile on her face. In addition, her effort in everything she does is exemplary and is a model of what it takes to be a USCGA student! Congrats!
