## 2nd Annual MSMHS Prom a Huge Success!

Mrs. Hanrahan poses with her senior advisory students at the entrance of Waters Edge.

WESTBROOK, CT - You could not have picked a better day for the prom. Close Over 140 students ate delicious food, enjoyed the views of Long Island Sound, and danced throughout the night at the 2nd Annual MSMHS Prom. The students began the night on the patio over looking the water as delicious hors' devours were passed amongst those in attendance. After the hour long opening reception, students entered the Grand Ballroom where they had several choices of different food stations including: carving station of filet mignon, pasta stations, mashed potato station, and the antipasto station. Our students ate 70+ pounds of mashed potatoes!! Impressive! Even with all of this food, students danced throughout the night to DJ Aquaman's beats while enjoying the glow sticks, sunglasses, and inflatable guitars. Everyone in attendance had a fun time and looked amazing!

### DEEP Ambassador Kwadwo Nsiah Honored by Commissioner

OLD LYME, CT - Last Monday, Kwadao 'Kojo' Nsiah was honored by the Department of Energy and Environmental Protection as one of the twenty-two student ambassadors in the state.
