## 6th Annual MSMHS Lip Dub to Begin Filming Next Monday!

Can we find Tater before Lip Dub?

GROTON, CT - It is almost here! The 2016 MSMHS Lip Dub will begin school-wide filming next Monday, October 3rd with all but two scenes being filmed at MSMHS. Dr. Spera and Lip Dub Director, Mr. 'Aquaman' Litvinoff have been busy planning one of the biggest annual events at MSMHS. Mr. L believes that this year's video will be the best ever. This year's Lip Dub will include the most student parts ever assigned along with some of our partners like Project Oceanology and New England Sailing & Science. Most importantly, our second to none MSMHS Pride will be on display from our students and faculty!!

There is no other day like it. Every first school day in October at the Marine Science Magnet High School is the filming of the Lip Dub. The Lip Dub is a spirit filled celebration of MSMHS pride that is caught on video for all parents, students, staff, community and future students to view. This year's song for the Lip Dub is 'Can't Stop the Feeling' by Justin Timberlake. Moreover, we are hoping that our famous Navigator, Tater the Gator, will return to the Lip Dub for the 5th straight year.

This will definitely be another great Lip Dub! We are reminding all of our students and parents to wear their navy and gold or MSMHS gear next Monday! Please contact our main office if any student or parent wishes to purchase MSMHS swag.
