5th Annual MSMHS Lip Dub to Begin Filming this Thursday!

Will Tater return for the Lip Dub?

GROTON, CT - It is almost here! The 2015 MSMHS Lip Dub will begin school-wide filming on Thursday, October 1st with all but two scenes being filmed at MSMHS. Dr. Spera and Lip Dub Director, Mr. 'Aquaman' Litvinoff have been busy planning one of the biggest annual events at MSMHS. Mr. L believes that this year's video will be the best ever. This year's Lip Dub will include the most student parts ever assigned along with the addition of our new partner, New England Sailing & Science. Most importantly, our second to none MSMHS Pride will be on display from our students and faculty!!

There is no other day like it. Every October 1st at the Marine Science Magnet High School is the filming of the Lip Dub. The Lip Dub is a spirit filled celebration of MSMHS pride that is caught on video for all parents, students, staff, community and future students to view. This year's song for the Lip Dub is 'I Don't Like It, I Love It' by Flo Rida and Robin Thicke. Moreover, we are hoping that our famous Navigator, Tater the Gator, will return to the Lip Dub for the 4th straight year.

This will definitely be another great Lip Dub! We are reminding all of our students and parents to wear their navy and gold or MSMHS gear next week! Please contact our main office if any student or parent wishes to purchase MSMHS swag.

SCHOOL RECORD FOR A MSMHS BLOOD DRIVE

American Red Cross

Last week's MSMHS Blood Drive received 32 pints of blood breaking last year's previous pint record of 25.

The 32 pints of blood can save up to 96 lives! The plan is for MSMHS to host two more blood drives this school in February and June. A big thank you to the MSMHS Family for its support!
