

MSMHS FISH TALES

that are true from the desk of Dr. Spera

Week of September 7, 2015

Student Council Advisory Reps To Be Selected This Week

**Student Council
President Austin D'Addario**

GROTON, CT - This morning, students in each advisory gave speeches to their peers citing reasons why they want to represent them on the MSMSH Student Council. After their speeches, each advisory voted for up to three students to represent their advisory on the MSMHS Student Council. The selected students in each advisory will now write campaign letters to the Student Council Selection Committee who will have to make the tough decision of selecting amongst the 66 incredible students and their impressive letters.

The Student Council Selection Committee is comprised of six faculty members. The group listens to each letter read by Dr. Spera without knowing the name of the nominee. In past years, the committee has spent over two hours reviewing the group of nominees representing over 24% of MSMHS! The results of the committee will be announced in next week's Fish Tales Newsletter.

Regardless of the results, the entire faculty and staff are proud of the desire and courage of our amazing students. We would like to again congratulate all of the nominees for taking the chance and running for office. Our entire MSMHS staff was greatly impressed with the number of students willing to be leaders amongst their peers. Good luck to all of the candidates!

National Honor Society Tutor Lab

By Emily Kresse, NHS Secretary

Starting on Friday, September 11th, National Honor Society will be hosting a tutor lab in the simulator room that will be running for the rest of the year. The tutor lab will be on Tuesdays and Fridays from 7 to 7:30. This program is open for students in grades 9-12 that need extra help with a subject or a specific assignment. In the tutor lab will be 3 to 4 members of NHS to assist students. The National Honor Society tutoring program allows students to receive help in order to succeed. In NHS, we are committed to helping the student body and to improve the culture and climate of MSMHS.
