

# The Grapevine

A GUIDANCE NEWSLETTER

June, 2017

Dear Students and Parents,

This is the final issue of the *Guidance Grapevine* for the 2016-17 school year. Counselors have invested considerable time in working with our students. Our classroom guidance seminar offerings this year have been a success allowing us to reach even greater numbers of students in a variety of different ways. We continue to foster opportunities for students to link up with counseling groups that address important issues. And as always, the counseling of individual students also has occupied the attention of our counselors. Our pupils have received personal, academic and career guidance throughout the year. In particular, the counselors have focused on the seniors as we help them to connect to “life after New Milford High School.”

To give you some sense of how extensive this counseling has been, this last issue of the Grapevine is dedicated to our senior students. As the year ends, these students are the celebrities on whom we put the spotlight. For many, the stress and anxiety of college, career, and job searches are over. The next level of their lives is becoming more clearly defined.

Since these students, their parents, and we at NMHS are justly proud of them, we are using this issue of the Grapevine to do some boasting. We are publishing as much as we know about the future plans of our seniors. If anyone has been inadvertently left off our list, please let us know right away, because we want our records to be as accurate as possible. Or, if there are last minute changes in plans, please let us know.

Finally, however, I wish to offer heartfelt congratulations to every one of these seniors for their success in preparing themselves to move into the next phase of their lives. It is a pleasure seeing them achieve their goals. Good luck and best wishes for a great summer.

Sincerely yours,

Greg Shugrue  
Principal
