September 2017

The Academic Fitness Club will be held after school on **Mondays and Wednesdays** from 2:30 to 3:45 pm. The purpose of this activity is to give students a quiet place to work under the supervision of a teacher. The teacher is not expected to tutor, gather materials, or take charge of the student's homework. This is a separate permission slip than other clubs and activities because it is an academic based activity. The teacher is there to take attendance, supervise, direct students to proper resources, and answer questions when able. Students will be able to form study groups with members from their own teams. **Students are required to stay for the scheduled time and can utilize the late bus to get home OR we ask that parents pick up their children promptly at 3:45pm.**

Grade 6 Math Lab will be held after school on **Mondays** from 2:30 to 3:45 pm. Grade 7 and Grade 8 Math Lab will also be held after school on **Mondays** from 2:30 to 3:45 pm. The purpose of Math Lab is to give students the opportunity to meet with a math teacher to review material or to ask questions about homework issues. **Students are required to stay for the scheduled time and can utilize the late bus to get home OR we ask that parents pick up their children promptly at 3:45pm.**

*There is a late bus available on Monday and Wednesday. This bus leaves SMS at 4:00 and has four drop-off locations.
