ABOUT ME !

Hi! I’m Mrs Ferguson. I am a retired Hamden school teacher. I retired in 2015 after teaching for 38 years, mostly in Kindergarten. Although I love retirement, I miss being with kids! So I started “Creative Kids.” This after school program allows me to offer children two of my favorite things; literature and art. In each weekly class, we will read a great story and the children will do a craft to coincide with the story. My classes are active, engaging and children are encouraged to create, laugh and have fun!
