**About Mrs. Rigoland ...**

A native of France (Normandy specifically), Mrs. Rigoland arrived to the United States 14 years ago. Upon her arrival to the USA, she worked for 3 years in a French American school in Portland, Oregon. She then relocated to Connecticut and has been working as an Early Childhood educator in Woodbridge for 11 years. A mother of two girls, she enjoys teaching and working with children; she is also looking forward to promoting an understanding of a different culture and to cultivating your child's intellect and character by offering French classes this year at Clintonville.
