## Message From The Presidents

The leaves are starting to change and the temperature is getting colder, signifying the start of fall and all of the promises and excitement that October brings! Before we jump ahead to some of the wonderful events that the PTA has planned, I would like to take a moment to thank all of the wonderful volunteers who helped make the beginning of the school year a success.

We are in need of more PTA memberships! They help to provide vital support to the school for field trips, educational assemblies and helps pay for our family fun events. **Please consider joining the PTA and having an active part in your child's school and education.**

All our best,  
Danielle Masto & Patricia Obier-Bigliere
