School Counseling
Program

Supporting students toward
academic, personal/social,
and career success.

Tel: 203.239.1641

► Our Mission

To support *all* students through collaboration with parents and the school community, toward academic, personal/social, and career success by enhancing their potential to lead meaningful lives as productive members of society.

► What do School Counselors do?

- Provide individual and group counseling
- Provide consultation services to teachers
- Provide education and support services to parents
- Facilitate referrals to support services outside of school
- Advise students on academic planning
- Provide post-secondary advisement to students
- Maintain up-to-date resources on careers and post-secondary institutions
- Network with colleges, universities, and vocational schools

► Who are School Counselors?

Professionals with:

- Masters Degree in Counseling or Related Field
- Connecticut K-12 School Counseling Certification
- Experience Working with Children and Adolescents

School Counseling Program Delivery
