College Representatives Visits

North Haven High School students are provided opportunities to meet with college admissions representatives at various dates and times in the Career Resource Center (located in the School Counseling Department). In the early fall, watch for postings in Naviance under the 'Colleges' tab for dates and colleges who will be visiting. This is a wonderful opportunity to learn more about and demonstrate interest in a college. Register to visit with a representative in your Naviance account.

College Application/Process Assistance

A school counselor will be available each day (in October and November) during block 2, in the Career Resource Center to provide additional support with the application process and problem-solve any difficulties you are having. Sign up in the School Counseling Department. You may also make an appointment with your counselor.

College Application Fee Waivers

Students who utilized a College Board fee waiver when taking the SAT will receive four (4) application fee waivers directly from the College Board. Some colleges may accept a different fee waiver request. Please see your counselor if you feel application fees may prohibit you from applying to college.

Financial Aid

Our Financial Aid/Funding College presentation will be on Wednesday, October 26, 2016 at 6:30pm at NHHS. Mr. Charles Wareham of Valark Financial Services will review all aspects of the financial aid process. Please go to fafsa.ed.gov for information about the Free Application for Federal Student Aid (FAFSA). The CSS Profile, an additional form that is required by *some* colleges, will be available online October 1. Keep an eye on financial aid deadlines set by each college.

Scholarships

During the school year the School Counseling Department receives information on many of scholarships available to students. A list is maintained in Naviance as well as in hard copy in the office.
