### Handbook

I have received and reviewed the *North Haven High School Student Handbook*. I understand that it contains school information, academic information, and behavioral expectations/rules.

### Attendance Policy

In addition, I understand that the *North Haven High School Attendance Policy* is included in the handbook and available on the high school website. I understand that numbers of absences, as defined in the policy, may result in a loss of course credit regardless of the grade earned. I understand that absences must be reported to the school in writing, as a parent note or, if applicable, a doctor's note, court letter, etc. These documents must be submitted to the grade principal within five days upon returning to school.
