

SAT PREP

Summer is a good time to begin preparing for SATs. You can use this website to learn more about the test. There are practice tests that you can download and tutorials you can use to brush up on your math skills. Go to <https://www.khanacademy.org/sat> to take a look at all of the resources.

You are not required to do this but it is recommended that you take a look at the types of questions that will be asked if you are planning to take the SAT.

Have you linked your College Board account to Khan Academy and started the free personalized SAT practice?
