RHHS Parents, Coaches and Student-Athletes:

On October 5th at 6:30pm RHHS Athletics will host Molly McCarthy, the Assistant Athletic Director for Compliance & Student Services at Central Connecticut State University to discuss NCAA Athletics. Ms. McCarthy's presentation will be 45 minutes long followed by questions and answers. She will provide informational handouts that accompany her PowerPoint.

Her presentation will focus on three areas:

1. Exploring college athletics and the right fit for you (Division I, II and III). She will discuss the differences, scholarship opportunities, benefits and responsibilities with each division.
2. NCAA eligibility requirements, process and procedure --including all the requirements students need to meet academically in high school from grades 9-12--courses needed, GPA requirement, SAT /ACT requirement and sequence of courses. NCAA registration process and student responsibilities
3. The college athletic recruiting process--tips, recommendations, scholarship information and timeline. She will present both myths and facts about college athletics.

Please consider joining us on this important evening for any and all aspiring collegiate athletes.

Sincerely:
