## Calling all Stevens School parents!!

Our children need you to volunteer and take an active role in their school! With the start of the school year also comes the start of numerous Stevens PTO activities. Many of these programs exist only because volunteers are willing to make them happen. If each one of us can give a few hours of our time, it will make a huge difference. The following pages provide a description of each PTO activity/event. Please take a moment to look over all of the different areas in which you are needed. Then complete the form below and let us know where you can help. **Please note that we are still looking for Chairpersons for a few events. So if you are interested, you can always chair with a friend, please make a note below and check off committees/events where you would like to help:**
