UNICEF: 66 Years Strong
Ann Dobmeier

More than just a one-time event, Trick-or-Treat for UNICEF has been embraced by generations of Americans as it empowers students and adults to take leadership roles in championing the cause of vulnerable children and families around the world. Trick-or-Treat for UNICEF provides positive proof that you and your children can make a difference in the world by volunteering to help others – collections have totaled more than \$175 million to support UNICEF's lifesaving programs since 1950.

By Trick-or-Treating for UNICEF, you can be a superhero for millions of children in need this Halloween. These kids are just like you, except many of them live in countries where poverty, war or natural disaster make it difficult to get even the basics they need to survive. And it doesn't take much to save children's lives. Did you know that \$15 provides a child with clean safe water for one year? And \$165 can provide a bicycle to deliver medicine to children?

UNICEF collection boxes will be distributed to all students at West Hill School next week. Please help us help others by bringing your child's box with you as you trick-or-treat on Halloween. You can gather your change and have it on hand when trick-or-treaters come to your home with their collection boxes. And then, return your UNICEF boxes intact to school the first week of November. All coins, bills and checks will then be counted and our West Hill contribution will be sent to UNICEF. I will also let you know how much we collected this year.

With very little effort on everyone's part, we could make a difference in the world!
Thank you in advance for your help.
