Understanding Your Child's Report Card

Do you know how your child is performing in school?
We have redesigned the elementary report card to help you better understand
how your child is meeting the grade level standards.
Come learn more in advance of the December report card distribution.

“Standards-Based Report Card Updates”
Monday, October 17, 2016 at Stevens School
Wednesday, November 2, 2016 at West Hill School
6:30-7:30 pm

The same information will be presented during both sessions.
You may come to either session, regardless of which school your child attends.

During the session, parents will learn...

...why these changes were necessary.

...about the new grading system.

...how the standards are organized.

We hope to see you there!
