#### **New Entrant Definition:**

\*New entrants are any students who are new to the school district, including **all** preschoolers and all students coming in from Connecticut private, parochial and charter schools located in the same or another community. All pre-schoolers, as well as all students entering kindergarten, including those repeating kindergarten, and those moving from any public or private pre-school program, even in the same school district, are considered new entrants. The one exception is students returning from private approved special education placements-they are not considered new entrants.
