We would welcome any student to complete a summer reading project, but no awards will be provided. All pictures should be emailed to kstevens@willingtonct.org and we will create a slideshow at the beginning of the 2015-2016 school year. The new challenge items are listed below.

1. Read: take a photo of you reading alone, with someone, or to someone
2. Math: take a photo of you completing some math activity
3. Play outside: take a photo of you playing outside

5. Community Service: take a photo of you doing something to help our community

Flag Day

The students participated in a Flag Day ceremony this morning with guests from the Veterans of Foreign Wars and the Ladies Auxiliary of the Veterans of Foreign Wars. We sang some patriotic songs, marched around the building and learned some facts about our flag on the front lawn. The V.F.W. also provided all the students with a miniature American flag. Thank you to the Hall Memorial School band for providing music for our special event. The event ended with students receiving a red, white and blue popsicle. Thank you to our local veterans for attending the Flag Day ceremony. See our [CES photo album](#) for pictures from Flag Day.

The Center School Digital Backpack is intended to provide parents with up-to-date school information. The Digital Backpack will be emailed to help us reduce the amount of paper we send home each week. Field trip permission forms, parent sign-off forms, and class specific items will still go home through backpacks, but school-wide announcements including handouts and informational items will be distributed through our *Digital Backpack*. Help us conserve paper by signing up for the *Digital Backpack*. Parents and community members can sign up for the Digital Backpack by emailing jcordier@willingtonct.org and writing subscribe (or unsubscribe) to Center School Digital Backpack.
