

This study guide will help prepare you for the US History EOC. Of course, how well you do on the EOC will be determined by how well you study and how well you have done in the class this semester. Remember this test counts as 25% of your overall grade in this class.

How to Use this guide: study the guide and your book, notes, and terms. **Look up any event or term you are unfamiliar with and memorize.** Remember, history is a story and the parts tell the story and are interconnected.

US HISTORY EOC REVIEW

GEORGE WASHINGTON-Federalist (1789-1797):

A. Established **4 cabinet departments** to help run the new government (Department of State, War, Treasury, and Office of Attorney General).

* Secretary of State –Thomas Jefferson, Sec. of War-Henry Knox, Sec. of Treasury- Alexander Hamilton, Attorney-General- Edmund Randolph.

B. **President Washington's Foreign Policy-** the young nation should not get involved in foreign wars (**NEUTRALITY**)

Britain & France went to war (1793) with each other, President Washington declared America's neutrality (**Proclamation of Neutrality** (1793).

1. **Jay's Treaty (1794)**- Britain was stopping US cargo ships bound for France; to avoid war, Washington sent John Jay to Britain to seek a solution.

* Jay was forced to agree that the British had a right seize cargo bound for French ports.

* Jay did not get compensation for American merchants whose cargo had already been seized.

* Treaty angered many Americans

*** **Significance: temporarily PREVENTED A WAR between America & Britain!**

2. **Pinckney's Treaty** (1795)- When America signed Jay's Treaty, Spain worried US & Britain might join forces and take Spain's North American territory. President Washington sent Thomas Pinckney to negotiate with Spain.

* Treaty gave US the right to navigate the Mississippi River and deposit goods at New Orleans.

* **Judiciary Act 1789**- created appeals courts to help US Supreme Court hear cases.

C. **1ST two political parties** (Federalists & Democrat-Republicans)

** **Arguments between Jefferson & Hamilton over Hamilton's Economic Plan led to creation of first two political parties.**

Alexander Hamilton's Economic Plan

- components: assumption of state debts, call for a national bank
- Opposition: to assumption plan & national bank –unconstitutional.

** **KNOW THAT THE DEBATE OVER HAMILTON'S FINANCIAL PLAN LED TO CREATION OF AMERICA'S FIRST TWO POLITICAL PARTIES.**

1. **Federalists**- strong national government, democracy “dangerous”- wealthy/educated should rule, trade & manufacturing key to our wealth.

* **Loose constructionist**- favored a loose interpretation of the Constitution; used “necessary & proper clause” to justify creation of stronger government; ***Leader – Alexander Hamilton.**

2. **Democrat-Republicans**- strength of nation in farmers, believed that the wealthy corrupted government, favored more power to state governments.

* **Strict Constructionist**- favored strict interpretation of Constitution; government may only do something if Constitution specifically says it can.

* **Leaders- Thomas Jefferson & James Madison**

D. President Washington's Farewell Address: know the **three warnings: avoid sectionalism/regionalism, avoid political parties, and avoid involvement in foreign entanglements (wars)**.

E. Washington set the precedent (tradition) for a president to serve only two terms.

1793- Eli Whitney invented the cotton gin- made cotton production more profitable and increased the demand for slaves in the South.

President JOHN ADAMS-Federalist (1797-1801)

The French were enraged by America's agreement with Britain (JAY'S TREATY) so they began stopping American cargo ships & seizing cargo bound for Britain.

*Federalists called for war with France.

A. The X, Y, Z Affair- President Adams sent 3 US ambassadors to France to negotiate with the French about seizure of US cargo; 3 French ambassadors ("X,Y, AND Z") demanded bribes of \$250,000 before they would allow US ambassadors to speak with French officials.

*Americans call for war with France.

B. The Quasi War (with France)- (1798) Congress voted to intercept armed French ships and suspend US trade with France; an undeclared war.

* **Quasi War angered Democrat-Republicans who intensified criticism of President Adams & Federalists.**

C. Convention of 1800- US gave up all financial claims against France- France released the US from a Revolutionary War treaty with France (Treaty of 1778).

D. Alien and Sedition Acts (know components of this law)- Federalist law aimed to hurt Democrat-Republican party whose supporters tended to be immigrants.

* **Alien Act**-prevented immigrants from becoming US citizens for 14 years; this hurt Democrat-Republicans because immigrants usually joined Democrat-Republican Party in big numbers.

* **Sedition Act**- law passed by the Federalists in Congress and signed by John Adams; made it illegal to say anything that might be "scandalous, false or that might incite "rebellion"; meant to stop all criticism of Federalist Party & Adams.

** **Purpose:** SHUTDOWN ANY OPPOSITION TO FEDERALISTS AND JOHN ADAMS & WEAKEN THE DEMOCRAT-REPUBLICAN PARTY.

** The Alien & Seditions Acts enraged many citizens- Republican controlled legislatures in Kentucky & Virginia passed resolutions written secretly by Jefferson & Madison.

E. Kentucky & Virginia Resolutions (Resolves)

* Written secretly by Thomas Jefferson and James Madison; was written because of the outrage over the Alien and Sedition Acts.

• **Virginia Resolution**- Jefferson & Madison argue that a state may interpose between the federal government and the people to stop an action (**INTERPOSITION**).

• **Kentucky Resolution**- argued that if the federal government passed an unconstitutional law, the states can nullify (declare it invalid) **THEORY OF NULLIFICATION**.

Thomas Jefferson Presidency-Republican (1801-1809)

Election of 1800 (Federalist John Adams v. Republican Thomas Jefferson)

- * Thomas Jefferson named winner.
- * **“Revolution of 1800”**; first time in US history that presidential power is passed from one party to another- peaceful transfer of power is the tradition.
- * **“Midnight Judges”** – President John Adams spent his last days in office up until his last night in office giving federal judgeship jobs to Federalists; led to case Marbury v. Madison.
- Marbury v. Madison** (1803): William Marbury demands that Supreme Court force President Thomas Jefferson & Sec. of State James Madison give him his judge job; Court rules that an act of Congress is unconstitutional for the first time = “**judicial review**”.

Louisiana Purchase (nearly doubled size of US) - **Jefferson bought land in North America from France (Napoleon) even though he did not believe that the Constitution gave him the power to do so.

Lewis & Clark Expedition (“Corps of Discovery”) –sent by Jefferson & Congress to explore Louisiana Purchase territory; explored trans-Mississippi west; crossed Rockies and entered Oregon; traced Columbia River to Pacific Ocean.

- Led by Meriwether Lewis & William Clark
- Remember **Sacagawea**.

Essex Junto – Massachusetts Federalists plotted to take New England states out of the Union because they feared that the Louisiana Purchase will make the South & West more powerful than North East.

Embargo Act of 1807- British & French were at war and were seizing US cargo ships; the British were kidnapping US sailors (**IMPRESSMENTS**); President Jefferson wanted to avoid war so Congress passed law halting all trade between US & Europe.

Embargo Act of 1807- The US halted all trade with Europe; embargo hurt US manufacturers much more than it hurt Europe- Congress repealed the law in 1809.

Presidency of James Madison-Republican (1809-1817)

The War of 1812 (US vs. Britain) Round II

Causes: the British were still seizing American cargo ships; the British were kidnapping US cargo ship sailors (**IMPRESSMENTS**)

- **War Hawks** – Congressmen from South & West who tended to be Democrat-Republicans who resented Britain; wanted war BECAUSE: Britain’s cargo seizure hurt farmers & British were stirring up Native Americans against settlers in the western & southern frontier.

Major Battles/Event of the War:

1. During the war, the British invaded and burned the White House.
 2. During the bombardment of Fort McHenry-Francis Scott Key wrote the Star Spangled Banner.
 3. **Battle of New Orleans-** actually fought after a peace treaty had been signed in Belgium; Andrew Jackson led American victory against a superior British force; made Jackson a hero in the US.
- **Hartford Convention**- New England Federalists met to show opposition to the War of 1812; led to the eventual decline of Federalist Party in America== DEATH OF THE FEDERALIST PARTY!
- * Our victory in the War and the Hartford Protest made Federalist Party look unpatriotic.
- **Treaty of Ghent** – peace treaty signed in Belgium; ENDED THE WAR of 1812.

- **Effects of the war:** last war US & Britain fight against each other, **built US nationalism**
- 1817-Rush-Bagot Treaty- fixed border between US & Canada.
- Convention 1818- US & Britain agree to jointly occupy Oregon territory for 10 years (end up being 20 years).

President James Monroe-Republican (1817-1825)

- Period was known as "**Era of Good Feelings**"-mainly because there was only one major political party (there was very little political dispute).
- Period in which there was an emphasis on national pride and building our national economy and infrastructure.

A. Henry Clay's "American System" - Henry Clay wanted to build up the American economy and infrastructure; his plan called for 3 things: a national bank, internal improvements (roads, canals etc.), and tariffs that would protect American manufacturers.

- 1819- **Adams-Onis Treaty** (Spain cedes all of Florida to US, western US border of Louisiana Purchase is decided.)

B. The Missouri Compromise (1820) - Maine in as a free state-Missouri in as a slave state, compromise would prevent slavery north of Missouri's southern border along the 36-30 parallel line.

* Temporarily maintained the balance in the Senate between free & slave states.

** developed by **Henry Clay**.

C. 1823- The Monroe Doctrine – President James Monroe declared that the America's were off limits to further European colonization= South America will be US sphere of influence.

Election of 1824- "**Battle of the Favorite Sons**"-Andrew Jackson & Henry Clay were from the west and Clay ran on his "American System" idea, John Q. Adams represented the New England area, William Crawford represented the South.

D. The "Corrupt Bargain"- Andrew Jackson won most of the popular vote-but no candidate won majority in Electoral College; the vote was decided in the House of Reps. Were Henry Clay was speaker and threw his support behind John Q. Adams.

* Once in office, Adams made Henry Clay Sec. of State. Jackson supporters claimed a "corrupt bargain had been made.

President Andrew Jackson-Republican (1829-1837)

- Spoils System**-practice of giving government jobs to friends/loyal supporters; led to abuses and corruption. Jackson fired large numbers of government workers and installed his own supporters in these positions.
- Before 1820- there was a property requirement to vote (means only property holding whites can vote).

After 1820's- states lowered or eliminated property ownership requirements to vote =

More white males allowed to vote (blacks, Native Americans, & women still could not vote).

- The Bank War**- Jackson and most westerners & southerners disliked the national bank of the US; Jackson set out to destroy the national bank.

* **"Pet Banks"** – Jackson took federal government money out of the national bank and placed the money in small state owned banks (pet banks) around the country- eventually kills the National Bank.

D. The Nullification Crisis- Cause: Congress raised the tariff which would hurt southern and westerners.

- **Tariff of 1828 (Abominations)**- name of the tariff that raised tariffs.
- **John C. Calhoun (SC) – then Vice President, advocated that South Carolina and other states had the right to declare a federal law unconstitutional (nullification); NULLIFICATION Crisis**-Calhoun and other southerners believe states have right to "nullify" unfair federal laws; South Carolina threatened to leave the Union if Tariff of 1828 was not cancelled.
- Jackson & **The Force Bill**- Congress gave Jackson power to use force to keep South Carolina in Union and enforce tariff.
- Henry Clay compromise ends nullification crisis by lowering the tariff over a few years.

Jackson & Van Buren (1837-1841) and Native Americans

- **1830 Indian Removal Act**- Congress provided money for the removal of Indians to western reservation in Oklahoma.
- **Worcester v. Georgia** – Supreme Court rules that Georgia must respect Indian property rights; Jackson's reply "If Marshall wants to protect their rights, let him do it".
- President Van Buren- **Trail of Tears** 1838- Cherokee forcibly removed from lands in NC, Tenn, Ga. To reservation in Oklahoma (@ 4,000 Cherokee die along the way).

Supreme Court Cases (1803-1824)- Expanded the power of the federal government.

- **Marbury v. Madison** (1803)- est. **judicial review**-gave Supreme Court the power to review and declare state and federal law unconstitutional.
- **McCulloch v. Maryland** (1819)- state governments can not interfere with agency of federal government.
- **Gibbons v. Ogden** (1824) – federal government may regulate interstate commerce
- **Cases strengthened power of federal government over states.**
