

## Florida High School Athletic Association Academic Performance Contract for Athletic Eligibility

This form may be used by member schools as an academic performance contract between themselves and students in the 9th and 10th grades whose cumulative grade point averages fall below the 2.0 necessary for eligibility to participate in interscholastic athletic competition.

--- DO NOT RETURN THIS FORM TO THE FHSAA ---

I, {name of student}: \_\_\_\_\_, a student in

the {9th/10th}: \_\_\_\_\_ th grade {name of school}: \_\_\_\_\_, and

my parent(s)/legal guardian(s) acknowledge that my cumulative grade point average has fallen below the 2.0 on a 4.0 scale that is required for participation in interscholastic athletic competition, according to s. 1006.15(3)(a)1, Florida Statutes, and Bylaw 9.4.1 of the Florida High School Athletic Association, of which my school is a member.

I wish to participate in the following sports: \_\_\_\_\_

My parent(s)/legal guardian(s) and I understand that while in the 10th grade, I will be permitted to continue to participate in interscholastic athletic competition each semester provided:

- (a) I will not and have not participated in any interscholastic athletic activity during the semester of ineligibility;  
(i.e. I understand I MUST sit out one semester before becoming eligible again)**
- (b) I will earn or have earned a 2.0 grade point average in all courses taken during the semester of ineligibility;**
- (c) I have entered into this “Academic Performance Contract for Athletic Eligibility” with my school; and**
- (d) I have enrolled in or will enroll in and attend summer school, or its equivalent (i.e., but not limited to, adult education, online education, etc.), as necessary.**

My parent(s)/legal guardian(s) and I further understand that should my cumulative grade point average continue to be below the required 2.0 on a 4.0 scale when I enter the 11th grade, I will not be permitted to participate in interscholastic athletic competition until such time as my cumulative grade point average is raised to a 2.0 on a 4.0 scale or better and maintained at that level.

My parent(s)/legal guardian(s) and I, therefore, will commit ourselves to see that I put forth the effort necessary to raise my cumulative grade point average to that level by the time I enter the 11th grade.
