Greetings Parents/Guardians:

We have secured reservations and obtained approval for the 2011 Senior Class trip. We are excited about the plans that have been made for your well deserving students. This year's class has worked diligently in previous years; therefore, we want them to have an experience unlike any other class. The total cost of the trip is \$549; however, we have taken on the responsibility of paying the \$49 for each child, since the students were originally told \$500 last school term. We are using Global Alliance to handle all of our arrangements. We looked at other companies and even planning this on our own and the best plan was going through Global Alliance. The charter bus is included in this quote as well as all of the attractions and the dinner at Downtown Disney. We have even looked at the option of removing some of the attractions and it only saves about \$50, but you lose so much. The tickets are less expensive when purchased with two day attractions. The bus alone is \$5000 or more if we try to secure it. We want the students to feel comfortable

traveling this far from school; therefore, a charter bus was the best option. Below, I have provided you with the tentative/final itinerary, unless changes are made at the request of the majority. If you want to make changes, please come to the next scheduled parent meeting and voice your opinion. Please take into consideration that time is of the essence when making these arrangements. We look forward to seeing you at the next scheduled Senior Parent Meeting. We will also have a Round Table discussion in reference to this year's Baccalaureate Services so that the information can be put on the 2011 Senior Class announcements for Herff-Jones. We thank you in advance for your commitment to our school. We look forward to working with you this school term.

Best regards,
