World History:

The Ancient World History curriculum is 100% online. Students are able to access the techbook along with all of the videos and other visuals via the website:

<http://www.discoveryeducation.com/>.

Please make sure that your child has a blue folder WITH prongs. Teachers will grade folders twice throughout the 9 week grading period.

If your child has not brought in a spiral notebook, please do so as soon as possible, so that we may begin our interactive notebooks!

Please check FOCUS often for missed work and updated grades!
