ASSEMBLIES

At assemblies the mark of maturity is to remain attentive and to be polite. On days when assemblies are held, the schedule will be announced. At assemblies, the appearance of anyone on the platform who is to speak is a signal for immediate quiet and attention. All students will enter and leave the gym or auditorium in a quiet and courteous manner by designated doors. If the assembly does not interest you, respect others and remain quiet. All rules of student conduct apply during assemblies. **Any student who accumulates five or more ISS days and any OSS days in a nine weeks from date of incident, will be denied the privilege of attending or participating in any extracurricular activities. This includes membership in clubs or attendance at any after school activity. Principal's discretion for school day functions.**

ATTENDANCE

The administration, faculty, and staff of Hardee Junior High School, believe that regular attendance is essential for success in school. Valuable material is presented in the classroom, and transmitting the material through make-up work is seldom equivalent to presence in the classroom. The goal of our policy is to encourage and reward high attendance. Through the cooperation of school personnel, parents, and students themselves, we believe this goal will be realized. The Florida legislature requires that students attend school until age 16.

ABSENCES

An absence is anytime the student is not present in class for the minimum of one half the length of the class period. For purpose of determining attendance, a student is absent for the full day if he/she does not attend school at all or leaves school before 10:30 a.m.. From 10:30 a.m. to 12:30 a.m., the student will have missed half a day.

EXCUSED ABSENCES

A student may be legally absent from school for the following reasons **PROVIDED THE PROPER DOCUMENTATION IS PRESENTED WITHIN FIVE (5) SCHOOL DAYS OF THE STUDENT'S RETURN:**

1. Personal illness (doctor's note required)
2. Dental appointment (doctor's note required)
3. Court Appearance (bailiff's signature or other appropriate documentation)
4. School related activity (permission slip with signature of sponsor)
5. Funeral/bereavement (funeral notice, mass card or other documentation)
6. Suspension from school (notification by dean or attendance office)
7. Pre-arranged absence (signature of administrator in charge of attendance)
8. Family emergency (proper verification)

- It is the responsibility of the student to make arrangements with teachers for "make-up" work. Any "make-up" work not completed and returned in a timely manner will have a serious effect on the child's average for that grading period.
- After a total of fifteen (15) or more absences, a letter will be sent from the school notifying the parents that a physician's note will be required in order to receive an excused absence for any further absences due to illness.
- Two (2) unexcused half-days will equal one unexcused day. Each unexcused tardy will have the value of one class period. Five unexcused tardies will equal one unexcused day.
- Extended absences for personal reasons require that a student make arrangements by bringing a written request from his parent or guardian to the Attendance Dean and having a Special Excuse form approved by the Principal and signed by all the student's teachers. In most cases, the principal will give approval for the student to "make-up" any missing work, but the absence will be unexcused unless otherwise approved by the principal or designee. The student must make pre-arrangements for class work with each teacher at least two days prior to the expected absence. If a student will be absent for an extended period of time, the Guidance Office should be contacted. Arrangements should be made for withdrawal from school. The student will reenroll upon his/her return.
- Students requiring an extended absence due to medical reasons may be able to receive educational services from a medical homebound teacher if a physician requires that the student be out of school for more than three weeks due to medical reasons. A medical homebound form can be requested by going to the Guidance Office. Pre-arranged absences must be requested at least 5 days in advance of the expected absence. Students are to arrange to complete all assignments and all course content missed.

SCHOOL-SPONSORED ABSENCES Absences due to school-sponsored activities are excused if the following conditions are met. The student must obtain a signed school-sponsored activity slip and have each teacher's signature for each class he/she will miss. The student must then return the completed slip to the sponsor at least three days prior to the activity. An Emergency Care Card must be on file for students to participate in school sponsored activities.

UNEXCUSED ABSENCES

An absence for which there is no documentation or which occurs for any reason other than those mentioned above (see **EXCUSED ABSENCES**) will be considered an unexcused absence. **STUDENTS WILL BE ALLOWED NO MORE THAN SIX (6) UNEXCUSED ABSENCES PER CLASS PERIOD DURING THE 18 WEEK SEMESTER. 3 HANDWRITTEN NOTES WILL BE ACCEPTED EACH SEMESTER. A HANDWRITTEN NOTE WILL ONLY EXCUSE A STUDENT FOR 3 CONSECUTIVE MISSED DAYS. A DOCTOR'S NOTE IS REQUIRED IF THE STUDENT IS ABSENT FOR MORE THAN 3 CONSECUTIVE DAYS.**

- 1. A note from a parent does NOT excuse an absence. However, parent's notes will be kept in the student's file and will be taken into consideration by the attendance committee.**
- 2. Signing out of school does NOT excuse an absence unless the reason for signing out is documented and occurs for one of the reasons listed above (see **EXCUSED ABSENCES**).**

NON-ATTENDANCE INTERVENTION PROCEDURES For cases of non-enrollment, a designated school representative shall give written notice, in person or by mail, to the parent or guardian which will require enrollment or attendance of the student within three (3) days after the date of the notice. If this requirement is not met, the Superintendent shall take steps to bring criminal prosecution against the parent or guardian.

After five (5) unexcused absences in any thirty (30) calendar day period, or after ten (10) unexcused absences in any ninety (90) calendar day period, a verbal notice or notice sent by mail will require the parent or guardian to appear before an Attendance Child Study Team. The purpose of that meeting will be to discuss possible interventions that can be put in place to resolve the student's attendance problem.

If the parent or guardian refuses to participate in the remedial strategies discussed at the Attendance Child Study Team meeting because they believe they are unnecessary or inappropriate, the parent or guardian may appeal to the School Board. A hearing officer will make a recommendation for final action to the School Board. If the Board determines the strategies are appropriate and the parent or guardian still refuses to participate or cooperate.

After fifteen (15) unexcused absences in any ninety (90) calendar day period, the Superintendent may choose to file a truancy petition in Circuit Court, or the student and their parent or guardian will be referred to the Truancy Arbitration Board. The Truancy Arbitration Board has the authority under Florida Law to:

1. File legal charges against the parent or guardian.
2. File legal charges against the student.
3. Refer the family for intervention services at the family's expense.

ATTENDANCE OFFICE is responsible for maintaining student records of attendance and issuing absentee slips. It is located on the Administration Building, room 132.

SIGNING OUT PROCEDURES

A parent or an individual listed on the student's emergency care card may sign the student out of school through the Attendance Office. The parent or individual must present proper identification to do so; such as a driver's license or government issued identification.

TARDINESS

If a student arrives at school or homeroom after the tardy bell has rung, he/she is tardy. STUDENTS MUST SIGN-IN AT THE ATTENDANCE OFFICE. THE STUDENT WILL RECEIVE A PASS TO CLASS AT THAT TIME.

Habitual tardiness will be referred to the Dean's Office. Any further tardies will result in disciplinary action. Students who are tardy to class during the school day will receive consequences as established by the school discipline handbook.

PHONE CALLS

Students will be allowed to use the telephone in the Attendance Office to call their parents or guardian if the time of a school activity has been changed without prior notice; a change of dress is required; or a personal or family emergency arises.

LOST AND FOUND

Articles found at HJH will be turned in to the Attendance Office. If you lose something, please check there.

Breakfast and lunch are provided free of charge to all students. A key pad system is used to access a student lunch account. The student identification number serves as the student lunch account number. Students simply enter their student identification number for their lunch/breakfast. This account remains valid throughout the school year.

"DRESS FOR SUCCESS" ATTIRE PLAN

A student's dress and appearance should not cause disruption, distract from the educational process, or create a health or safety concern for themselves or others. Faculty, parents, and students alike feel that students should take pride in their grooming and general appearance by selecting appropriate dress for school.

Clothing which affords modesty and good taste in pursuit of learning is encouraged. Students' dress and appearance should fall within the limits of cleanliness, good grooming, and proper taste. Several items of clothing currently in fashion have their place in the area of recreation, but are out of place in the classroom.

We ask the cooperation of parents with our "Dress for Success" attire plan. It is our desire to create an environment that will serve the best interests of all students at the school.

No exceptions to the plan will be made for any student except for religious reasons. The parent must file a formal written request for exemption with the principal and provide documentation to support the request for exemption for religious reasons. Students entering later in the school year will have a one-week grace period for purchasing "Dress for Success" attire.

If necessary, disciplinary action will be taken to encourage compliance with the "Dress for Success" attire plan. Hardee Junior High will strive to achieve full compliance. We will resort to disciplinary action only when positive measures fail to ensure compliance. Prior to initiating any disciplinary action against a student, parents will be contacted to solicit their cooperation and support of the "Dress for Success" attire plan. Disciplinary action will be initiated only after all means to secure support and cooperation have not succeeded. A progressive discipline approach, as indicated by the district and school comprehensive discipline plans, will be employed to encourage consistent compliance with the "Dress for Success" attire plan.

Violation of any part of the "Dress for Success" Attire Plan will result in the following:

1. First offense – phone call to parents. A change of clothing will have to be brought to the student; otherwise, the student will remain in the ACE (Alternative Classroom Environment) classroom until they are in compliance.
2. Further violations will result in a lunch detention and/or ACE assignment. In order to remain in a regular classroom setting, students must be in compliance with the HJH "Dress for Success" attire plan.

In addition, a student accessing the network from a school site is responsible for all online activities, which take place while using the networked computer. When using another organization's network or computing resources to and/or on the Internet, the student must comply with the rules appropriate for that network.

ACCEPTABLE USES OF THE NETWORK

- All activities which support learning and teaching in Hardee County Schools.

If you have any objection to your child accessing the Internet or a networked computer, notify the school in writing with your specific objections.

NURSE'S OFFICE

Students needing first aid should report immediately to the Nurse's Office in the Administration building. All first aid supplies are located in this office. If a student becomes ill or is injured during the school day, he/she will report to the Nurse's Office with a pass from a classroom teacher. A parent/guardian will be called if deemed necessary. The student will wait in the Attendance Office if signing out.

All prescription and non-prescription medications, with the exception of cough lozenges and asthma inhalers, are to be kept in the Nurse's Office at all times during the school year. Before medication can be administered to a student, a form or note signed by a parent/guardian must accompany all medication. The form may be obtained from this office. All prescription medication must be in the original, labeled container or it will not be administered to the student.

COMPREHENSIVE SCHOOL HEALTH PROGRAM This program is a special School Health Program provided by collaboration between the Hardee County Public Health Unit, Department of Health, and the Hardee County School District.

The Hardee Junior High Nurse's Office provides the following health education programs: reproductive health awareness, alcohol and drug abuse prevention, safety, prevention of self-destructive behaviors, and personal health. Additional services include a health care plan for

all students, counseling students and staff on health related issues, routine vision and hearing screenings, and follow-up on health referrals.

Florida Law 81-18 requires that parents or guardians be informed at the beginning of each school year that children in school will receive non-invasive screenings during the year. Such screenings and examinations will be for vision, hearing, height, weight, dental, scoliosis, head lice, etc. These screenings are visual checks for any problem of health the child may have. Should any problems be found, parents/guardians will be notified at once. Invasive screenings such as immunizations, tuberculin tests, etc. will always require prior written permission from parents or guardians before they are scheduled.

PLANNERS

All students will receive a planner/handbook. It includes a calendar for assignments, a student responsibility plan, important dates, and passes. Students must have their planners with them at all times. A replacement is available for \$5.00.

PUBLIC NOTICES

RIGHTS AND RESPONSIBILITIES OF STUDENT

Students, of course, have all the rights of any other citizen of the United States of America. Their rights are guaranteed in the Constitution and shall not be abridged.

Rights, however, are accompanied by very grave responsibilities based almost entirely on respect for others as well as for oneself. For example, each student has the right to pursue an education, but no student has the right to interfere with the education of his fellow students. He must respect himself enough to respect others.

We must base all our statements concerning student conduct on one major idea – RESPECT. It is the responsibility of each student to respect the rights of all those involved in the process of education. Accompanying responsibilities flow from the exercise of rights. Equal in value among these are the following:

- Respect for Oneself
- Respect for Individual Dignity

- Respect for the Property of Others
- Respect for Legally Constituted Authority
- Respect for the Rights of Others

EQUITY PLAN

NON-DISCRIMINATION The Hardee County School Board adheres to a policy of non-discrimination in educational programs, activities, benefits, and employment practices. It strives affirmatively to provide equal opportunity for all. No person shall, on the basis of race, national origin, sex, handicap, color, religion, age, or marital status, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any educational program or activity, or in any employment conditions or practices of the Hardee County School Board.

SEXUAL HARASSMENT: Sexual harassment is the unwelcome conduct of a sexual nature. It may include verbal or physical sexual advances including subtle pressure for sexual activity. Verbal or physical conduct of a sexual nature will constitute sexual harassment when the allegedly harassed individual has indicated by his or her conduct that it is unwelcome.

An individual who has initially accepted such conduct by active participation must give specific notice to the alleged harasser that such conduct is not welcome for any such subsequent conduct to be deemed unwelcome.

BULLYING REPORTING PROCEDURE: Bullying or harassment of any student or employee at Hardee Junior High School will not be tolerated. Employees, students, parents, and visitors are encouraged to report suspected incidents of bullying or harassment to the administration either verbally or in writing. Anonymous reports may be called in to the Dean's office.

CYBERBULLYING POLICY: The cyberbullying policy may be viewed on the Hardee Junior High website.

PROCEDURE FOR ADDRESSING STUDENT COMPLAINTS

Step 1:

If a student, currently enrolled in the Hardee County School District, has a complaint based on an alleged equity issue, the student has the right to voice this complaint to the school principal. The principal will investigate the complaint and make a decision. If the student is not satisfied with the results and wishes to pursue the complaint, he/she will proceed to Step 2. In the event that the first point of contact in this procedure is a party to the complaint, the complaint will proceed to step 2 of the procedure.

Step 2:

The student may appeal to the superintendent, or designee, if not satisfied with the decision in step 1. The superintendent or designee will hear the complaint, investigate the facts, and render a decision as to the proper disposition of the complaint. This decision will be final unless the student wishes to proceed to step 3.

Step 3:

The student may appeal to the School Board by requesting, in writing, that the superintendent place the appeal on the agenda for the next School Board meeting. The School Board after hearing the facts shall take whatever action is deemed appropriate. The decision of the School Board shall be final.

RIGHTS TO STUDENT RECORDS MAINTAINED BY THE HARDEE COUNTY PUBLIC SCHOOLS

WHAT IS THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974?

In August of 1974, President Ford signed into law a series of legislative amendments known as the Education Amendments. Among them is an amendment, sponsored by Senator J. James Buckley, entitled Family Educational Rights and Privacy Act of 1974. This amendment grants to parents and/or students, over the age of 18 years the right to inspect/review, to challenge and to control the release of personally identifiable information contained in education records.

WHAT IS AN EDUCATION RECORD? WHAT TYPE OF INFORMATION IS MAINTAINED IN THE RECORD?

A permanent cumulative education record is maintained for each student from entrance into school through the twelfth grade or its equivalent. The school that initially enrolls a student is responsible for establishing the record. Each school principal has the legal responsibility for maintaining the record. Educational records are those records, documents, and other materials which contain information directly related to the student and which are maintained by an educational institution or agency. Information contained in the record is classified as follows:

Category A: Permanent information of clear educational importance that is retained indefinitely. Category A information includes student's full legal name and any known changes, birthday, place of birth, race, sex, address, parent/guardian name, name, location and dates of last school attended, days present, absent, date of enrollment and withdrawal, courses taken and achievement record, graduation date and requirements.

Category B: Temporary information of clear education importance that will be periodically corrected and/or eliminated as prescribed by law. Category B information includes but is not listed to: health information, test scores, honors/activities, disciplinary record, exceptional student record, driver education certificates and correspondences from external agencies.

WHAT ARE THE RIGHTS OF A PARENT OR ELIGIBLE STUDENT?

Parents, legal guardian(s) or eligible students, have the rights of access, challenge, and privacy with respect to their education records. Whatever rights are vested in the parent of guardian shall pass to the student whenever the student has attained 18 years of age or is attending an institution of post-secondary education. Parents shall have access to their dependent children's records regardless of age but shall not have the right to sign for release of these records. Upon request, the parent of an eligible student shall have the right to be provided with a list of all records, directly related to the student; the right to be shown any report or record on the student; the right to receive an interpretation of the record; and the right to be provided with copies of the record (not to exceed actual duplicating costs). Requests to view student records should be made directly to the school principals or his designee. The school must comply within 30 calendar days of the request. In addition to rights of access, the parent and eligible student have the right to challenge the content and request correction/deletion of records of he/she thinks they are misleading, or inaccurate. These requests should be made to the school principal and may be further appealed to the Superintendent. Parents and eligible students also have the

right to waive their rights to inspect education records in part or whole. The right of waiver to access includes, but is not limited to, access to confidential letters of statements. Parents or eligible students have the right to file a complaint with the Department of Health Education and Welfare concerning an alleged failure by an educational agency to comply with The Family Educational Rights and Privacy Act.

ARE THERE ANY RECORDS THAT THE SCHOOL CAN REFUSE TO SHOW A PARENT OR ELIGIBLE STUDENT?

The right to access does not pertain to the following education records:

Teacher/counselor/administrator's personal notes and records that are not accessible to any other person except a substitute; law enforcement records which are maintained solely for their purposes; personnel records; physical or psychologist records that are maintained solely in connection with treatment; and letters of recommendation/evaluation which were considered confidential and entered into the record prior to July 1, 1977.

WHO ELSE HAS THE RIGHT TO ACCESS STUDENT RECORDS?

An educational agency/institution may disclose personally identifiable information from a student's education record without the prior written consent of the parent or eligible student if the disclosure is:

- Director information, such as school events, handbills, roster, and local news media. Such information will be limited to; name, address, grade level, age, telephone number, date and place of birth, date of attendance, school sponsored activities, height and weight of athletic team members, graduation dates, and awards and honors received. Parents who object to this use of directory information must notify the school principal within 15 days of receiving notification.
- In cases of child abuse, school officials are authorized and mandated by Florida Statute to report name to Protective Services and to provide them with the necessary information to pursue such complaints.
- To school officials, including teachers, who have a legitimate educational interest as determined by school board policy.
- To officials of other schools or post-secondary institutions in which the student seeks to or has enrolled.
- To authorized representatives of comptroller General of U. S., Director of National Institute of Education, Assistant Secretary for Education, State Auditor General and state educational authorities in order to comply with state or federal program requirements.
- In connection with a student's application for financial aid; this includes information to the Social Security Agency and welfare agencies as well as college/universities.
- Organizations conducting educational studies for the purpose of developing or validating tests, student aid, or improving instruction.
- To accrediting organizations
- In connection with health and safety emergencies.
- To legal authorities in compliance with judicial order or subpoenas upon the condition that the school makes a reasonable attempt to notify the parent or eligible student.

Copies of education records are released only on the condition that the information will not be subsequently transferred to another party without obtaining the proper consent of the parent or eligible student.

Hardee Junior High will forward, without consent, educational records to schools and school systems in which a student seeks or intends to enroll.

Florida Statute, Section 513, Public Law 93-380, provides that an educational institution may, without authorization from parents, guardians, or eligible students, release "Directory Information." Directory information includes the following:

- Student's name
- Address
- Telephone listing —unless unlisted
- Date and place of birth
- Participation in recognized activities or sports
- Weight and height of members of athletic teams
- Dates of attendance
- Awards received
- Most recent educational institution
- Photographs in the school yearbook

PRIVACY RIGHTS OF STUDENTS AND PARENTS

Hardee County schools annually notify all parents and guardians of students enrolled that they have a right to review their child's record, challenge the content that may be incorrect or misleading, receive a copy of the record, or waive their right of access to confidential information. Written permission is required for disclosure of educational records except as provided by Federal Regulation. These rights are transferred to the student at age 18 or upon his attendance at a post-secondary school.

Students may waive their rights to inspect and review confidential letters and statement or recommendations requesting admission to any educational agency or institution, an application for employment, or the receipt of an honorary recognition. The student regardless of age must execute all such waivers.

If any parent, guardian, or student above the age of 18 years objects to the release of such information, he/she shall make known the objections, in writing, to the Superintendent within the first 30 days of the school year. The School Board shall release directory information only after 30 days' public notice has been given.

WHERE CAN COPIES OF SCHOOL BOARD POLICY ON STUDENT RECORDS BE OBTAINED?

Parents of students or eligible students may obtain copies of the Hardee County School Board's records policy at any public school location.

EXCEPTIONAL STUDENT EDUCATION

"The mission of exceptional student education in Florida, a committed alliance for the development of the unique gifts of each exceptional person, is to ensure the achievement of each and every individual's extraordinary purpose by expanding opportunities through collaboration of families, professionals, and communities who guarantee the highest expectations and individual success." (FLDOE.ORG)

IDENTIFICATION OF EXCEPTIONAL STUDENTS

The Hardee County School District actively seeks to locate exceptional students and is responsible for providing services to students who are eligible for the following exceptional student education (ESE) programs: [Autism Spectrum Disorder \(ASD\)](#), [Deaf or Hard-of-Hearing \(DHH\)](#), [Dual-Sensory Impairment \(DSI\): Deaf-Blind](#), [Emotional/Behavioral Disability \(E/BD\)](#), [Gifted](#), [Homebound or Hospitalized \(HH\)](#), [Intellectual Disability \(InD\)](#), [Language Impairment \(LI\)](#), [Other Health Impairment \(OHI\)](#), [Orthopedic Impairment \(OI\)](#), [Specific Learning Disability \(SLD\)](#), [Speech Impairment \(SI\)](#), [Traumatic Brain Injury \(TBI\)](#), and [Visual Impairment \(VI\): Blind and Partially Sighted](#).

Information gathered may include the student's social, emotional, physical, psychological, academic, and communication behaviors and abilities. Information is collected through screening programs, check lists, teacher observations, standardized tests, and from such individuals as parents, teachers, psychologists, audiologists, social workers, physicians, other professional personnel, and the child. Information is used to assist in the development of appropriate educational programs for exceptional students and for reports to state and federal agencies.

Exceptional Student Education Records will be destroyed five (5) years after the student graduates (or its equivalent in time). Parents may contact the school and receive an official copy of these records prior to destruction.

Students are screened periodically for vision, hearing, speech, and academic achievement as the initial step in the process of identifying those students with suspected exceptionalities. If your child is selected for further testing, you will be notified of the content of the evaluation and the procedural safeguards available to you.

Prepared by Student Services Department in accordance with the requirements of the Family Educational Rights and Privacy Act of 1974.

ASBESTOS HAZARD RESPONSE ACT

In 1986, Congress passed the Asbestos Hazard Response Act (AHERA). The law required all schools, kindergarten through twelfth grade, to be inspected for asbestos-containing materials.

Hardee County School Board contracted with PSI to bring our schools into compliance with the AHERA regulations. PSI is the nation's largest and most experienced environmental engineering and analytical testing firm specializing in asbestos.

The objectives of our contract with the consulting firm were to:

- Sample, analyze and quantify asbestos-containing materials in our schools.

- Determine any potential for exposure of building occupants to asbestos fibers.
- Provide recommendations for corrective actions.
- Establish priority levels for abatement activities.
- Provide estimates for removal and replacement of asbestos containing materials.

Our schools were inspected, in accordance with the law, by EPA accredited PSI inspectors. We are happy to report that we have cleared all friable asbestos from our district. The only asbestos remaining is floor tile, which has been removed in many areas. We are happy to report there is no dangerous asbestos in any area. A copy of the Management Plan is on file for your review at the school administration office.

NEW FLORIDA STATUTE – EDUCATIONAL REQUIREMENTS FOR APPLICATIONS, SUSPENSIONS, AND REINSTATEMENT OF A DRIVER’S LICENSE.

After October 1, 1989, all students between 16 and 18 years of age will be required to have a Compliance Form from the Principal to obtain a driver’s license. Students having missed 11 consecutive unexcused school days or having missed a total of 20 cumulative unexcused days in a fiscal year and are between the ages of 16 and 18 years old as of October 1, 1989, according to SB 265 will have their driver’s license suspended; and/or fail to receive a Compliance Form.

*Anytime a student is absent for five (5) consecutive days or a cumulative of 10 days in a school fiscal year without notification accepted as an excused absence, the school, student, and parent shall enter into a written agreement that would contain the charges and timelines expected. This meeting must take place within 15 calendar days of the notice. If the meeting does not take place, the Division of Motor Vehicles will be notified and loss of driver’s license will occur.

In order for a student to have his license reinstated, he must be in attendance for 45 days beginning with the date of the license revocation. It is the student’s responsibility to bring the letter from D.M.V. stating the license suspension date to the school administrator before the 45 days begin. A second license suspension will result in a suspension until 18 years of age.

TELEPHONES

No telephones are available for student use. In the case of an emergency, the Attendance Office can call for the student. If a student becomes ill, the Nurse’s Office will call for the student.

CELLULAR PHONES AND SPEAKERS

Cell phones are allowed on campus, provided they are turned off during instructional time, are not causing a distraction or disturbance, and are stored out of sight. Cell phone usage, without permission, on campus can result in the phone being confiscated and placed in the school vault. Speakers are not allowed on campus and will be confiscated. Students are not allowed to play music where others can hear it; they must use ear buds or headphones. Students may use their cell phones to text, make phone calls, or listen to appropriate music

via ear buds/headphones during their lunch time only. A parent/guardian listed on the emergency care card must come and show identification and sign for the phone or speaker to be released. Repeated cell phone and speaker confiscation consequences may include in-school and out-of-school suspensions. **Uploading incidences that occur at Hardee Junior High School involving students on the World Wide Web can result in suspension with recommendation for expulsion. HJH assumes no responsibility for lost or stolen cell phones or electronic devices.**

TEXTBOOKS

The State of Florida furnishes textbooks for use by students attending public schools. A charge will be made for all textbooks lost or damaged during the school year.

TRANSPORTATION

Supervision of students is not provided before 8:00 a.m. or after 3:30 p.m. except for school scheduled activities.

ARRIVAL If a student arrives on campus before 8 a.m., he/she must report to the cafeteria. All students must go immediately to assigned areas if it is after 8:00 a.m.

6th, 7th and 8th graders will report to homeroom each morning when arriving on campus, unless eating breakfast. Once entering the cafeteria, students will remain there until released.

DEPARTURE A bell will ring seven (7) minutes after the dismissal bell. All students that remain on campus should report to a designated area, depending upon what activity they are remaining on school campus to attend.

BUS TRANSPORTATION All students living within the District, or who are assigned to a school in accordance with F.S. 230.23 and who live two (2) or more miles from their assigned school are eligible for transportation to and from school. Curb-to-curb student pick-up and drop-offs will only be made for the following categories of students: wheelchair bound students, medically fragile students, teenage parents with their children when necessary for medical reasons, deaf or blind students, and others if designated in the Individual Education Plan (IEP).

Parent/guardian requests for students to ride a bus other than the one serving their residence will be honored under the following conditions: the request is on a permanent, everyday basis; requests will be honored on a space available basis and permissions may be revoked at a later date; and requests for this alternate school transportation must be submitted to the principal or his/her designee for approval.

BUS MISCONDUCT Riding the bus is a privilege. Misbehavior by a student on a bus or at a bus stop can result in loss of that privilege. Offenses committed by a student will be punished in the same manner as if the offense had been committed at the student's assigned school. See the *School Board of Hardee County Code of Student Conduct and the Driver Empowerment Plan* for specific consequences.

NON-BUS TRANSPORTED STUDENTS Bike riders are not to ride bikes on campus. They should secure their bikes on the west side of the parent pick-up area. Skateboards, skates, and scooters are not to be ridden on campus. If a student rides one to school, it must be stored during the day. No junior high student is allowed to drive a vehicle to school. Automotive vehicles transporting students are to stop only in designated areas. Avoid extended stops to maintain traffic flow.

STUDENT SAFETY TO AND FROM SCHOOL

School staff, parents, and students are all responsible for creating a culture of positive behavior.

Parents and students must follow the school district's Student Code of Conduct.

PARENT DRIVERS AND TEEN DRIVERS

If you need to drive, follow these safety tips:

- *When picking up children in the afternoon don't arrive too early and hinder the movement of traffic in the neighborhood around the school.
- *Wait in a single line and leave enough room so an emergency response vehicle would be able to get through.
- *Don't block driveways, mailboxes, disabled parking spaces, or fire hydrants, and don't park on lawns.
- *Don't block access to or the view from side streets.
- *Don't back out onto any street from the school parking lot or from a side street.
- *Try to arrange your drop off/pickup time after the peak rush hour and use designated loading and unloading areas.
- *Always heed signs and the directions of school and law enforcement officials.
- *Always obey posted speed limits and other traffic laws.
- *Act as you would want people to act if it were your neighborhood.
- *Be patient and understand that walkers, bicyclists, and school buses are trying to exit the school, too.
- *Always ensure that you and your passengers buckle up.

RIDERS IN CARS, SUVs, AND TRUCKS

Drivers and passengers in cars, SUVs, and trucks must always use appropriate safety restraints. Anyone transporting children needs a child safety seat, booster seat, or safety belt, depending on children's sizes and ages.

Preschool age children should always be restrained properly in a secured child safety restraint system, such as a rear-facing infant seat, rear-facing convertible seat, forward-facing convertible seat, or forward-facing-only seat appropriate to their age and weight range.

All children who have outgrown child safety seats should be properly restrained in booster seats until they are at least 8 years old, unless they are at least 4' 9" tall.

The backseat is the safest place in a crash. Children age 12 and under should ride properly restrained in back. Infants riding in rear-facing seats must NEVER be placed in front of an air

bag.

SCHOOL BUS RIDERS

School officials, bus operators, parents, and students themselves are all responsible for ensuring that school bus riders follow these safety tips:

At the bus stop:

- *Students and parents are responsible for safety and proper student behavior going to and from the stop and while waiting for the bus.
- *Students must stand off the roadway while waiting.
- *Students must respect other people's property.
- *Students must not push, shove, or engage in horseplay.
- *Parents should supervise children at the stop if possible.
- *Students must arrive at the bus stop at least five minutes prior to the scheduled pickup time.
- *Students must wait for and get off the bus only at approved stop locations.

During loading and unloading:

- *Always stay away from the 12 foot "danger zone" around the bus, except when you are directed by the driver to get on or off the bus.
- *NEVER pick up an object that you drop under or near the bus. Ask the driver for help.
- *Always be sure the driver can see you.
- *Make sure clothing and backpacks have no loose drawstrings or long straps that could catch in the handrail or bus door.
- *When you see the bus coming, stand at the stop and wait for the bus to come to a complete stop.
- *Always wait for the driver to signal that it is safe to cross the road and/or load into the bus.
- *When crossing a traffic lane, always look left, right, then left again; cross only if approaching traffic has stopped.
- *Never walk behind the bus.
- *Only board your assigned bus, unless other arrangements are approved by your school.

During the bus ride:

- *Always follow the driver's directions.
- *Never distract the driver from driving unless there is immediate danger to you or others.
- *Remain seated and keep the aisles clear.
- *Eating, drinking, and chewing gum are prohibited.
- *Never bring unsafe or unauthorized items into the bus.
- *Always wear your seat belt when one is available.

- *Always keep your arms, legs, and head inside the bus.
- *Always show respect for your fellow students.
- *Keep conversation at a reasonable level and remain quiet at railroad crossings. The Student Code of Conduct applies in the bus as well as in the classroom.

TIPS FOR WALKING AND BIKING SAFELY:

Walking and biking to and from school can be a great way to get exercise, interact with your children, and teach them lifelong traffic safety skills. Know your child's abilities and remember your child's limitations. Children under 10 years of age are developmentally limited when it comes to judging speed and distance accurately.

Walking

Teach, practice, and remind children to:

- *Walk with an adult or responsible older child at all times.
- *Children under 10 years old should cross the street only with an adult.
- *Walk on the sidewalk if there is one.
- *Walk facing the traffic, as far from the road/traffic as possible, if no sidewalk is available.
- *Use traffic signals and marked crosswalks if available.
- *Stop at the curb or edge of the road and look left, right and left for traffic before crossing the street.
- *Walk; don't run.
- *Give drivers time to see you before crossing the street.
- *Keep looking for cars while you are crossing.
- *Wear white clothing or reflectors when walking in the dark or in low light.

Biking

NOTE: Bicycles are vehicles and riders must follow Florida Traffic Laws.

Teach, practice, and remind children to:

- *Always wear a helmet that is properly fitted.
- *Whenever possible, ride with an adult or responsible older student.
- *Always obey all traffic signs and signals.
- *Ride on the right side of the road or trail in a single file (one bicycle behind another).
- *Ride in the same direction as other vehicles.
- *Go straight across railroad tracks.
- *Always use proper hand signals when turning and stopping.
- *Yield to pedestrians and alert them with a bicycle bell or your voice when passing.

PROTECTING CHILDREN FROM SEXUAL OFFENDERS AND PREDATORS

Florida has the strongest laws in the country to protect its youthful citizens from being abducted. However, parents and children themselves are the first line of defense. Talk to your children about following these rules:

- *Stay away from any unfamiliar person who is trying to trick you or force you to go with him or her.
- *Let your parents and other trusted adults know about any suspicious persons or situations.
- *Learn to describe people and vehicles.
- *Know where to run and how to forcibly resist capture.
- *Scream to be seen and to scare a stranger away.
- *Stay with a buddy, a group, or parents at the bus stop.
- *Report anyone hanging around or passing by regularly.
- *Accept a ride only from someone approved by the school.
- *Walk or bike only along a route that your parents or the school has determined is safe.
- *Lock the door and never tell callers you are home alone.

VISITORS

Student visitors are not allowed during the school day except with the permission of an administrator. For safety reasons, all persons coming to the campus must sign in at the front desk and produce a driver's license or government issued ID, which will be screened through our Raptor Security Screening Processing System.

TOBACCO FREE POLICY

No student, employee, volunteer, contractor, or school visitor is permitted to use tobacco products of any kind or e-cigarettes;

- A. In any building, facility, or vehicle that is owned, leased, or rented by the school district.
- B. On any district-owned, leased, rented, or chartered grounds and property including all schools, district offices, athletic fields, practice fields, playgrounds, parking lots, administrative offices, maintenance or transportation areas.
- C. At any off-campus, school-sponsored event.

Note: The entire Comprehensive Tobacco Free policy, (rule 2.55) may be viewed on the Hardee County School Board web-site.

DRUG-FREE SCHOOL INFORMATION

The unlawful use and possession of illegal drugs and alcohol is wrong and harmful to both students and staff. Drugs and alcohol can cause a person to make poor decisions that can cause harm to him or others. A person who uses drugs and /or alcohol may have a criminal record due to stealing to support his habit or because he has been charged with illegal use of

possession. Drugs and alcohol harm the user and all those around the user.

The Drug-Free School and Community Act requires Hardee County Schools to prevent students and staff from possessing, making, using, giving away, or selling illegal drugs or alcohol. Hardee County Schools do not permit the use or possession of any alcohol or illegal drugs at school or school events. Students or staff found to possess, distribute, or use drugs or alcohol at school or school events may result in discipline described in the Student Code of Conduct and the Faculty Handbook.

Help and referral services for students and staff are available. The guidance counselors or the peer facilitator is able to assist parents and staff in making referrals for evaluation, treatment, and counseling.

SEARCH AND SEIZURE

Lockers are the property of the School Board of Hardee County and are subject to search or inspection at any time by school personnel (Florida Statute 1006.09). The school personnel may also remove any of the contents which may be stolen, unauthorized, or illegal.

The search of a student's person or property shall be based on a reasonable suspicion that the student has in their possession any item of an illicit or illegal nature, stolen property, or other such contraband that he/she is forbidden to possess, or materials which may have been used to cause disruption to the educational process, or which may endanger students or school personnel. Reasonable suspicion may be based upon, but not limited to, student tips, faculty referrals, parent phone calls, or suspicious behavior on the part of a student. Any information received will be examined as to its validity and credibility prior to any action being taken. **Building administrators shall have the authority to examine, or cause to be examined, a student's person or property.** In addition, school buses and personal vehicles are also subject to search at the discretion of the building administrator.

Use of metal detectors to minimize the risk of weapons on our campus is determined to be a desirable technique for campus security. No student or teacher should be subject to the dangers inherent in firearms or other weapons carried into our campus by any other person.

Handheld metal detectors may be used at random without cause at times to be determined by the campus principal. The selection of students to be subjected to the detection process as part of a random sweep shall be determined totally by chance and that no bias as to gender, religion or race entered into the selection.

In the event that the detector indicates that dense metal is present on or about the student's person, the employee shall request the student to indicate what metal is causing the alert. The student will remove the item for inspection. If the student then clears the inspection process without setting off the alarm then the inspection shall be terminated.

If however the item cannot be safely removed, the offending metal or, having been ordered to do so, fails, then the continuation of the alarm from the detector shall constitute full probable cause to conduct a pat-down search or "frisk" the student sufficiently to locate a weapon if one is present.

DISCIPLINE

PHILOSOPHY

Florida Statute 230.23(6)(D) requires each school district to distribute to students, parents, guardians, teachers, and other school personnel a code of student conduct developed cooperatively by students, parents and teachers. The District Code of Student Conduct is based on School Board rules that will be enforced fairly throughout the District.

This Code is in force not only on school grounds and on school buses during regular school hours, but also at other times and places (field trips, athletic functions, and other school-sponsored events) where school authorities have jurisdiction over students.

It is the policy of the School Board of Hardee County not to discriminate against employees or students by either deliberate or inadvertent bias based on race, color, sex, age, national origin, handicap, marital status, or religion. It is further recognized that a passive policy of nondiscrimination will not of itself result in providing opportunities to those individuals who might otherwise be adversely affected. It is for this reason that the School Board commits itself to a program of affirmative action designed not to discriminate against anyone.

It is the intent of this Code to be a strict disciplinary guide with its "minimum consequences" listed. ***The principal may assign consequences over the "minimum".***

NOTICE

TO: All Parents

FROM: The Hardee County School Board and Superintendent David Durastanti

An orderly, disciplined environment is fundamental to education. We expect our staff to teach respect for authority and for others. We hope you will reinforce this lesson. Pupils shall, during the time they are being transported to or from school at public expense, attending school, engaged in a school-sponsored activity, and on the school premises, be under the control and direction of the principal or designee and under the immediate control and direction of the teacher or other member of the staff, bus driver, or volunteer (hereafter referred to as school personnel) to whom such responsibility may be assigned by the principal.

You and your child are expected to understand the rules and he/she needs to know the consequences of breaking rules. The consequences of misbehavior are designed to discourage unacceptable behavior and therefore protect students.

Please read this Code carefully and also be aware and familiar with the rules developed by your child's teacher(s) and the individual school.

We intend to contact you if there are serious or repeated violations of the rules. To help us reach you during the day or evening, please have accurate and current telephone numbers on file at your child's school.

Thank you for helping us provide a safer and more orderly school setting where your child can achieve the success he or she deserves.

FOREWORD

Across the nation and the state a rash of serious incidents, accidents, and injuries has awakened educators, parents, and law enforcement officials to the need for more emphasis on maintaining order in the schools. The basis of the Code of Student Conduct is the concept of **RESPECT** – respect for others, for property, for authority, and for self.

Each **STUDENT** is responsible for his or her own behavior and for knowing the rules of his or her own school; **TEACHERS** are expected to handle minor misconduct thus avoiding referral to the principal; and **PARENTS** are involved as quickly and fully as possible. The violations listed in this book are considered serious and will be enforced by school administrators and the Board as consistently as possible.

Unacceptable behaviors are defined uniformly, ***but the punishment varies depending on the degree of misconduct, the age and record of the student, and the judgment of the principal.***

STUDENTS' ROLE

STUDENTS HAVE THE RIGHT TO:

- Be informed of all school rules and the consequences of breaking those rules.
- Be shown personal respect by all other students and school personnel.

PARENTS' ROLE

The home and the school need to cooperate and work together to help each child achieve his or her highest potential in life. One of the school's primary responsibilities is to provide a quality education in a safe environment for all students. Some of the parents' responsibilities include the following:

- Understand and support this Code of Student Conduct. Discuss it with you child and **advise the principal annually in writing if you object to the use of paddling (corporal punishment).**
- Teach your child self-respect, respect for the law, respect for the authority in the school, and respect for the rights and property of others.
- Show a positive attitude toward the school and toward your child's learning progress.
- Make certain your child attends school all day, every day unless the child is ill.
- Know your child's school, its staff, and its curriculum.
- Work closely with school personnel to solve any disciplinary or academic problems.
- Teach your child to dress properly and neatly, and to be clean and well groomed.
- Make sure the school has your correct home and work telephone numbers, the home address, and an emergency contact person.
- Supervise small children attending extracurricular school activities, especially athletic events. Although the school will provide law enforcement, crowd control, and proper supervision, the care of children attending an event is the responsibility of the parent.

CLASSROOM TEACHER'S ROLE

The teacher will inform every student of the classroom discipline plan to be used in that

teacher's room. That plan will be compatible with the school plan and this District Code of Student Conduct. The classroom plan will include a series of steps with punishment increasing if the problem persists. The teacher will provide instruction in proper conduct, explaining the punishments for misconduct. This instruction will stress RESPECT.

STEP 1: When a student fails to follow the rules, the teacher will proceed through the steps listed in the Positive Behavior Support Plan.

STEP 2: If the misconduct is repeated, the teacher will attempt to contact the parent and record the result.

STEP 3: The teacher will refer the student's case to a guidance counselor, a school nurse, or other appropriate personnel to seek positive intervention.

STEP 4: If the classroom problem persists or the misconduct has become a major disruption, the teacher will complete the upper section of the Hardee County District Schools Student Discipline Referral Form and refer the student to an administrator who will determine the punishment and advise the teacher of the action taken. Parents will be contacted and notified of student misconduct.

PRINCIPAL'S ROLE

The administrators at each school will, with the assistance of faculty and staff, develop an approved School Discipline Plan based on this Code, the age of the student body, and the school's philosophy. Emphasis will be placed on teaching respect.

Principals have statutory powers that permit their determining disciplinary action appropriate to student misconduct. (See F.S. 231.23 and 232.26) Principals must protect the student's rights of due process and appeal.

Principals will make a **reasonable** attempt to contact student's parents or guardians to involve them in the investigation of cases that may lead to a recommendation of **expulsion** for their child. The principal or the principal's designee shall make a good faith effort to immediately inform a student's parent or guardian by telephone of a student's suspension and the reasons for the suspension. Each suspension and the reasons for the suspension shall be reported in writing by mail, or hand-delivered, within 24 hours to the student's parents or guardian. Each suspension and the reasons for the suspension shall also be reported in writing within 24 hours to the Superintendent. Principals will make a **reasonable** effort to contact the parent or guardian of a student who may be placed in personal or legal jeopardy due to interrogation by a police officer. ***This does not include questions concerning any other matter pertaining to school or a school-related activity or event.*** Principals must release a student to law enforcement officers when a warrant is presented for the student's arrest. In this case, the principal should make a reasonable attempt to contact the parent or guardian.

It is understood that disciplinary decisions are based on the judgment of the individual administrator according to the details of each specific case. This Code defines minimum punishments to be assigned for certain serious violations of the rules, ***but the principal or his designee determines the punishment. The principal or his designee may assign more than the minimums indicated in this Code.*** The student's record may be considered. Punishments will be increasingly severe if rules are broken repeatedly or habitually. Repeated disruptive behavior may constitute "defiance of authority."

The principal is required to report certain infractions to law enforcement authorities and may press charges with the State's Attorney if the violation warrants such action.

GUIDELINES FOR CORPORAL PUNISHMENT

In accordance with recent state legislation, corporal punishment remains an option in this Code.

Paddling shall be administered posteriorly. This punishment will be administered in accordance with Florida Statute 232.27. A school administrator or designee who is not emotionally involved in the incident for which the student is being punished shall administer such punishment. The punishment shall be administered in the presence of another Board employee.

If parents or guardians ***do not*** approve of their child receiving corporal punishment, this fact must be ***put in writing*** and given to the principal annually.

GUIDELINES FOR SUSPENSION

In accordance with recent state legislation, corporal punishment remains an option in this Code.

The principal, or his designee, may suspend a student for up to ten (10) school days provided that each suspension and the reasons for it are reported within 24 hours by telephone and in writing, or delivered personally or by mail to the parents, guardians, and Superintendent. ***The length and conditions of the suspension may vary depending on the seriousness of the misconduct and the student's record.*** No student shall be suspended for unexcused tardiness, lateness, absence, or truancy.

Students in grades 6-12 who are placed on out-of-school suspension will not be allowed to make up missed work after returning from the suspension. He/she will be given only 70% of the grade they earn on the make-up work. ***While suspended, a student may not participate in or attend any school-sponsored activity.***

Schools may develop systems of in-school suspension. In-school suspension will be assigned by the principal or his designee and will consist of supervised isolation. Students will be allowed to complete work through assignments provided by the student's teacher(s). ***Students assigned to in-school suspension may not participate in or attend any school-sponsored activity the day or days they are assigned to in-school suspension.***

EXCLUSION

Any student who is formally charged with a felony, or with a delinquent act which would be a felony if committed by an adult, as outlined in Florida Statute 232.26(2), may have suspension proceedings initiated against him. Such suspension shall not affect the delivery of educational services to the student, and the student shall be immediately enrolled in a daytime alternative education program or an evening alternative program where appropriate. If the student is not subsequently adjudicated delinquent or found guilty, the suspension shall be terminated immediately.

GUIDELINES FOR PILOT PROGRAMS/ALTERNATIVE SCHOOLS

The School Board has established Pioneer Career Academy as an alternative school. Secondary students may be referred by an individual school or placed at PCA by the School Board.

GUIDELINES FOR EXPULSION

Florida Statutes and School Board Policy define expulsion as the removal of the right and obligation of a student to attend school for a period of time not to exceed the remainder of that term or school year and one additional year of attendance [Florida Statute 228.041(26) and School Board Policy 5.34]. Students may not be readmitted through other state agencies.

Expulsion or dismissal procedures are as follows. A written statement of charges shall be delivered personally or by certified mail to the parent(s) with five (5) business days. Notification shall be complete at the time of personal service or at the time of mailing if certified mail is utilized. ***It shall be the absolute responsibility of the parent to accept delivery of certified mail.***

An expulsion hearing with the School Board, or its appointed hearing officer, will be scheduled at the earliest possible date, and parents will be notified as to the place and time of the hearing. The student and school officials shall present evidence and call witnesses to clarify the facts. The student may also use the services of legal counsel at no expense to the School Board. The School Board will review the findings and will then adopt an order. The order will be delivered in writing to the parent or guardian. ***The student's identity will remain confidential within the provisions of statute unless the student's parent or guardian requests a public hearing.***

Expulsion hearings are conducted under Section 120.57, Florida Statutes. Except for good cause, factual matters alleged in the recommendation for expulsion but not denied in the request for hearing shall be presumed admitted. Failure to raise a particular defense in writing will be considered a waiver of such defense. The Model Rules of Procedure, Florida Administrative Code, Chapter 288-5, shall govern such proceedings.

All parties shall have an opportunity to present evidence and argument on all issues, to conduct cross-examination, to submit rebuttal evidence, and to be represented by an attorney.

The School Board shall accurately and completely preserve all testimony in the proceeding by tape recorder. On the request of any party, the School Board shall make a full or partial transcript available at actual cost. If either party desires a court reporter, he shall make arrangements for such court reporter and bear the expense. The School Board will provide interpreter services if such need arises.

A party who is adversely affected by final School Board action is entitled to judicial review. All proceedings for review shall be instituted by filing a petition in the Second District Court of Appeal, and the review proceedings shall be conducted in accordance with the Florida Rules of Appellate Procedure.

As per Florida Statute 232.26(2), any student who is subject to discipline or expulsion for unlawful possession or use of any substance controlled under Chapter 893 shall be entitled to a waiver of the discipline or expulsion:

- (a) If he divulges information leading to the arrest and conviction of the person who supplied such controlled substance to him/her or if he voluntarily discloses his unlawful possession of such controlled substance prior to his arrest.
- (b) If he commits himself, or is referred by the court in lieu of sentence, to a state-licensed drug abuse program and successfully completes the program.

Any recommendation for the expulsion of a handicapped student shall be made in accordance with the rules promulgated by the State Board of Education.

GUIDELINES FOR DISCIPLINE OF DISABLED STUDENTS

All handicapped students are expected to abide by the rules outlined in this Code. As part of the screening, identification, and placement of exceptional students in special programs (SLD, TMH, EMH, EH, PH, Speech/Hearing, Vision, SED), parents will be fully informed of discipline policies and procedures. The principal in consultation will determine the consequences of a violation of the Code of Student Conduct by an ESE student with appropriate staff members and in consideration of the disability or special conditions that apply in the specific case.

When ESE students are functioning in the regular school program, they will behave according to standards expected of all students unless their misconduct is clearly the result of the identified disability. Each case will be fully reviewed by staff, parents, and administrators.

The following is a description of the rights granted by federal law to students with disabilities. The intent of the law is to keep you informed concerning decisions about your child and to inform you of your rights if you disagree with any of these decisions.

You have the right to:

- Have your child take part in, and receive benefits from, public education programs without discrimination because of his/her condition.
- Have the school District advise you of your rights under federal law.
- Receive notice with respect to identification, evaluation, or placement of your child.
- Have your child receive a free, appropriate public education.
- Have your child receive services and be educated in facilities that are comparable to those provided to non-disabled students.
- Have evaluation, educational, and placement decisions made based on a variety of information sources, and by persons who know the student and who are knowledgeable about the evaluation data and placement options.
- Have transportation provided to and from an alternative placement setting (if the setting is a program not operated by the District, at no greater cost to you than would be incurred if the student were placed in a program operated by the District).
- Have your child be given an equal opportunity to participate in non-academic and extracurricular activities offered by the District.
- Examine all relevant records relating to decisions regarding your child's identification, evaluation, and placement.
- Request mediation or an impartial due process hearing related to decisions or actions regarding your child's identification, evaluation, educational program, or placement. (You and your child may take part in the hearing and be represented by counsel. Hearing requests must be made to the Superintendent.)
- File a local grievance.

Prior to taking such action against any student, SBER Emergency Rule 6A ER94-3(3), FAC, requires the school board to "ensure that appropriate due process procedures are followed." If a student committing one of the offenses is identified as disabled and participating in a program for exceptional students, then school personnel shall follow procedures in Rule 6A-6.0331, FAC. This provision shall not be construed to remove a school board's discretion in cases where mitigating circumstances may affect decisions on disciplinary action.

If you have questions regarding the District's compliance, contact the Director of ESE/Student

Services at the School Board's District Office.

CODE OF STUDENT CONDUCT

This list of infractions and possible consequences is not to be viewed as a threat to those students who are good citizens. On the contrary, this list is given to everyone as information, stating alternatives available to those concerned with the smooth operation of Hardee County's schools. This section is offered to students and parents in the belief that full knowledge of school rules and regulations helps avoid accidental violations and promotes good school citizenship. These rules and regulations apply to all school activities and school properties. It is understood that these are **minimum consequences**. If the situation arises that the punishment does not adequately address the offense, the principal or his designee may choose to adjust the severity of the punishment. *Authority of the Principal and Superintendent is defined in the following Florida State Statutes: 1006.08, 1006.09, and 230.35. Authority of teachers and school staff is defined in the following Statute: 232.27.*

As specified in SBER Emergency Rule 6AER94-3(2), FAC, "Each school district shall review its Code of Student Conduct and amend the Code, if necessary, to ensure that students found to have committed the following offenses on school property, school-sponsored transportation, or during a school-sponsored activity shall receive the most severe consequences provided by school board policy:

1. homicide (murder, manslaughter);
2. sexual battery;
3. armed robbery;
4. aggravated battery;
5. battery or aggravated battery on a
6. teacher or other school personnel;
7. kidnapping or abduction;
8. arson;
9. possession, use, or sale of any firearm;
10. possession, use, or sale of any explosive device

School boards may assign more severe consequences than normally authorized for violations of the Code of Student Conduct [Rule 6AER94-3(5), FAC], "when the offender appears motivated by hostility toward the victim's real or perceived race, religion, color, sexual orientation, ethnicity, ancestry, natural origin, political beliefs, marital status, age, social and family background, linguistic preference, or disability." The school principal is responsible for monitoring the administration of student discipline to ensure that discipline is administered equitable without regard to "real or perceived race, religion, color, sexual orientation, ethnicity, ancestry, national origin, political beliefs, marital status, age, social and family background, linguistic preference, or disability." He or she is required to review school discipline data with the school advisory council on at least an annual basis in developing school improvement plans to maintain a safe and healthy school environment that protects the civil rights of all students.
