# Accident Insurance Protection

Providing a maximum of \$25,000 Accident Medical Expense

## Primary Excess Medical Coverage

Provides for payment of Usual and Customary (U&C) expenses Incurred for treatment of an injury caused by a covered accident, subject to the maximums stated in the policy. Covered expenses must be for appropriate treatment and the first expense must be incurred within 90 days following the covered accident. To be payable, expenses must be incurred within 365 days after the accident. We will pay the first \$350 of covered expenses. Additional expenses will only be payable when they are in excess of benefits payable under any other Health Care Plan. All benefits will be based on the normal charge, in the absence of insurance, made by the provider for any appropriate treatment, but not more than the prevailing charge in the area for like services by a provider with similar training and experience. Where appropriate, usual and customary charges will be based on a relative value schedule appropriate to the area and the type of service provided.
