What is the National Financial Capability Challenge?

The National Financial Capability Challenge is an awards program designed to increase the financial knowledge and capability of high school aged youth across the United States so they can take control over their financial futures. It challenges high school teachers and other educators to teach the basics of personal finance to their students, and rewards students, educators, schools, and states for their participation and their success. Educators and top-scoring students will receive award certificates, and schools and states with the highest participation rates will earn special distinction.

On February 11, 2011, at the Florida Bandmasters Association District Solo and Ensemble Music Performance Assessment (MPA), nineteen MHS students qualified to advance to the State Solo and Ensemble MPA, which was held in Tallahassee on Tuesday, March 22, 2011. This was a fantastic opportunity for these students, each of whom had made a "I / Superior" rating at District MPA in order to qualify to participate at the State MPA. In addition, instrumental soloists had to also perform music with a difficulty rating of 5 or higher, with '7' being the most difficult.

At the State MPA, however, a "Superior / I" rating is not a 'given'...but any score, even an "Excellent / II" or a "Good / III", is

still a wonderful achievement, since each of these students still worked hard in preparation to perform their solos or ensembles once again, subjecting themselves to criticisms, compliments, comments, and a final rating from yet another judge or set of judges. Indeed, the very nature of it being a State-level assessment implies a higher, more difficult level of scoring.

The results of Tuesday's performances - (students listed alphabetically) (number in parentheses indicate difficulty of music for instrumentalists - 1=easy, 7=most difficult):

Alanna Clayton / Flag Solo— I / Superior
Ashley Combs / Flag Solo— I / Superior
Jeffery Edenfield, Tuba Solo (5)— III / Good
Mallory Mock, Baton Solo— II / Excellent
Sharon Price, Clarinet Solo (5)— II / Excellent
Lindsey Starling, Clarinet Solo (6)— II / Excellent
Lindsey Starling, Alto Saxophone Solo (7)— II / Excellent
Draylon Toombs, Tuba Solo (5)— III / Good
Lori Tucker, Alto Saxophone Solo (5)— I / Superior

Dance Line (Kelsey Olive/Captain, Kayley Bryan, Kendall Cumming, Florence Dixon, Taylor Downs, Rachel Huckaby, Irene Muniz, Kaleigh Nagg, Delfanie Oliver, Amber Pate) — I / Superior
Flag Line (Alanna Clayton/Captain, Sharnesia Baker, Ashley Combs)
— Comments Only

All of these students are to be commended for their extraordinary efforts to have themselves "put under the microscope" and be judged yet again. CONGRATULATIONS for their participation in this State level assessment!

Congratulations to Kruize Pinkins on an outstanding performance in the FACA North-South All Star Game on March 19th in Daytona Beach, Fl. He had 16 points/ 14 Rebounds/ 4 Blocks/ 4 Assist/ 2 Steals. Also, he was second in the voting for the games MVP. Congratulations again for a fine performance by Kruize Pinkins.

Both the MHS Concert Band and the MHS Symphonic Band performed for the FBA District 2 Concert Band Music Performance Assessment on Friday, March 11, 2011, which was held at Chipley HS. Both groups performed three concert selections, which were rated by a panel of three judges. That was followed by a Sight-Reading session, which was rated by one judge. The Concert Band earned ratings of "Excellent" (II) from all three concert judges, and an "Excellent" (II) from the Sight-Reading judge. The Symphonic Band earned ratings of "Superior" (I) from all three concert judges, and a "Superior" (I) from the Sight-Reading judge. CONGRATULATIONS to all the band students for their fine performances!

On Friday, February 12, 2011 fifty-seven Marianna High School Band students participated in the Florida Bandmasters Association's annual District II Solo and Ensemble Music Performance Assessment (MPA), which was held at the Baptist College of Florida and Graceville High School. These 52 students performed in 20 separate combinations, including instrumental and auxiliary solos, a clarinet trio, a brass quintet, the Dance Line (10 members), the Color Guard/Flag Line (4 members), and two separate percussion ensembles (one with 6 members, one with 11 members). Many students performed several times in various combinations of solos and larger ensembles.

All performances were scored by sanctioned adjudicators, who gave the students both written and oral comments, and issued scores, ranging from a top score of Superior (I), to Excellent (II), Good (III), Fair (IV), and Poor (V). All MHS students earned scores of either Superior (I) or Excellent (II).

All of the Auxiliary Ensembles (Dance and Flag) earned a score of Superior, and are eligible to advance to the State MPA, which subjects the performances to a higher level of grading. An additional factor in the instrumental performances is the difficulty rating of the music being performed--level 1 being the easiest, and level 7 being the hardest. Each instrumentalist playing music rated at level 5 or higher, and earning a score of Superior, is also eligible to advance to the State MPA, as well.

The State MPA for North Florida will be held in Tallahassee at Godby High School, on March 21-23.

Counting multiple performances by some students, a total of 73 Superior (I) medals were earned, with 4 students also earning a rating of Excellent (II). Below, each student is listed alphabetically, within each solo or ensemble grouping. This is followed by the music level in brackets, followed by their earned score, either I or II:

Kruize Pinkins was nominated for the McDonald's All American Team for 2010-2011. This is quite an honor for any athlete in any sport. He has done good things on the court and off. We are especially proud of his efforts here at MHS. Congratulations to Kruize and his family for this special recognition as a McDonald's All American Nominee. He was recognized at MHS on Tuesday (February 15) during 7th period by the manager of the Marianna McDonald's Restaurants.

Kruize Pinkins has been selected by the area FACA coaches to play in the North-South Allstar game on March 18-19th in Daytona Beach, Fl. at Embry-Riddle University. He will represent the North team and play against other seniors that were also selected to play from all over the state of Florida. Congratulations to Kruize and all of his accomplishments here at MHS over the last 4 years.

On January 20-21 seven MHS Health Occupations Students of America (HOSA) members attended the HOSA Spring Leadership Conference in Pensacola, FL escorted by their instructor, Mrs. Deese. There were more than 500 students from this region in attendance. The seven students from MHS competed in seven different team and/or individual events. In addition, the MHS chapter entered the National Service Project competition. The

following is a list of their achievements:

Meagan Seay (Senior) received 5th place in Physical Therapy
Cassie Lentzsch (Sophomore) received 2nd place in Veterinary
Assisting and is eligible for State Competition

Tye Riley (Freshman) earned a place at State Competition by the
score he achieved on the Kaiser Permanente Health Care Issues
Exam

In addition, the Marianna High School chapter of HOSA came in
FIRST PLACE for Region I in the National Service Project
competition. This project involved collecting donations to benefit
the Juvenile Diabetes Research Foundation. There were many
schools represented at this event with MANY more members than
MHS. All of the Health Science Academy classes participated with
the MHS HOSA students to collect money for this worthy cause.
They truly ROCK!
