Pam Stewart, Commissioner

2014-2015 SCHOOL IMPROVEMENT PLAN [DRAFT]

Riverside Elementary School

2958 CHEROKEE ST

Marianna, FL 32446

850-482-9611

<http://res.jcsb.org>

SIP Authority and Template

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds, as marked by citations to the No Child Left Behind (NCLB) Act of 2001. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code (F.A.C.), for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <https://www.floridacims.org>. Sections marked "N/A" by the user have been excluded from this document.

Current School Status

Supportive Environment

School Mission and Vision

Provide the school's mission statement

The purpose of Riverside Elementary School is to prepare all our students for success as educated and caring citizens by inspiring and building good character and a passion for lifelong learning.

Provide the school's vision statement

“Positive Attitude + Hard Work = Success.” We believe that if we can instill a positive attitude in all of our students and encourage them to work hard and do their best, then they will become successful students, learners, and citizens.

School Environment

Describe the process by which the school learns about students' cultures and builds relationships between teachers and students

Before the school year begins, we have Open House so the teachers can meet the parents and students, gain a first impression, and begin to build relationships with the students and parents. Most of our teachers send home a letter at the beginning of the year asking parents to give them extra information about their children (their interests, strengths and weaknesses in school, any personal information teachers may need to know, etc.). At least once per nine weeks, teachers are required to communicate with all parents either by phone, e-mail, or in person. In following the Marzano model, students are able to celebrate their success and share about themselves in class.

Describe how the school creates an environment where students feel safe and respected before, during and after school

Before school, students are under the supervision of several teachers and paraprofessionals in different areas of the school. They are seated with their class, so they are with familiar students, and are either in the cafeteria, hallway, or the multi-purpose room (gymnasium).

During school, students are respected and kept safe by their teachers and the other faculty and staff of Riverside Elementary. We have a no-bullying policy in place, the students are taught about and reminded of it, and the faculty and staff enforce it. Our PBS (Positive Behavior System) rewards students for good behavior, which keeps them respectful of others and helps them understand the need for safety on our campus.

After school, teachers and paraprofessionals are on duty in the hallways, outside on the walkways, and in the cafeteria to ensure that students are safe at both the car rider and bus loading areas. Different members of the faculty are responsible for specific areas on campus and specific buses.

Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced

We believe that “Positive Attitude + Hard Work = Success.” This statement is posted throughout the school and in classrooms on posters, banners, and signs. The teachers have included it as a signature on their e-mails and their weekly newsletters. Faculty and staff continually remind students of the importance of this statement in both academics and in life.

There are several different ways that we reward students who have a positive attitude and work hard.

The Positive Behavior Support (PBS) team assists teachers in monitoring student behavior and rewards those students who have positive behavior each nine weeks. Each month, a Star Student is chosen by each teacher to be recognized with his/her picture and name on a bulletin board and a goodie bag including a certificate from Dairy Queen. With the Accelerated Reader (AR) program, students who work hard to read books within their levels and take and pass comprehension tests are rewarded each nine weeks as well as at the end of the year with a variety of treats and prizes. Students who take vocabulary quizzes in AR are also rewarded. Honor Roll students are given a treat bag each nine weeks, recognized in the local newspaper, and receive recognition at our annual awards program. In the classroom, teachers reward hard-working students with words of praise and the occasional treat, including recess. Beaver Chorus and Yearbook Staff are selected based on having a positive attitude and strong work ethic. All faculty and staff expect all students to strive to be successful, have a positive attitude, and work hard every day.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

Counseling services are provided through the county for students in need. Faculty and staff are chosen to be mentors for students who would benefit from having an adult work closely with them. Students may also be assigned a "buddy" or partner if needed as well. PBS (Positive Behavior Support) motivates all students to chose good behavior each day and rewards those students who do not receive a referral each nine weeks. The Backpack for Kids Program provides support for the nutritional needs of all children. Riverside also offers a "closet" of sorts to provide clothing for any students wearing inappropriate clothing (weather-wise and/or dress-code violations).

Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

Describe the school's early warning system and provide a list of the early warning indicators used in the system

According to district data, RES had 93 students with attendance below 90%; 133 students with 2 or more referrals, 65 of which were suspended; and, 15 students retained. District data differs from the grade-level break downs below due to students moving. In the table below, the numbers entered for students scoring a Level 1 on the statewide assessment are a total of the students scoring a Level 1 in both Reading and Math.

Provide the following data related to the school's early warning system

The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade	Students
Attendance below 90 percent	3	26
Attendance below 90 percent	4	34
Attendance below 90 percent	5	33
	Total	93
One or more suspensions	3	40
One or more suspensions	4	42
One or more suspensions	5	44
	Total	126
Course failure in ELA or Math	3	6
Course failure in ELA or Math	4	5
Course failure in ELA or Math	5	2
	Total	13
Level 1 on statewide assessment	3	41
Level 1 on statewide assessment	4	39
Level 1 on statewide assessment	5	49
	Total	129
	Total	

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade	Students
	Total	

Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system

The parents/guardians of students who have missed too many days of school are contacted and/or visited by Ms. Tharp, the assistant principal after their names are submitted to her by their teachers. After 4 absences or 8 tardies, a child study team meeting is held and an attendance contract is signed so the parent will be made aware of the district's absentee policy. If the student is absent and/or tardy after that point, they are recommended for truancy court.

Students with referrals are mentored by a faculty or staff member as needed. Ms. Tharp contacts and/or visits the parents/guardians and talks with them to see how we can help their child(ren) be more successful with behavior. Students with consistent behavioral problems may be referred to the Response to Intervention team in order to form and AIP, IEP, or 504 plan to provide strategies that will help the students, their parents/guardians, and their teachers. Behavior is addressed through a BIP (Behavior Intervention Plan) and is also created by

Remediation is available before school in the computer lab, during school in small groups with their teacher, and/or during wheel with a remediation teacher for the students who scored a 1 on FCAT Reading or Math.

Family and Community Involvement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

Will the school use its PIP to satisfy this question?

Yes

PIP Link

<https://www.floridacims.org/documents/51700>

Description

A PIP has been uploaded for this school or district - see the link above.

Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement

Families of students attending Riverside Elementary have multiple ways of staying informed of their children's progress. We have a school website, and many teachers have their own individual pages that will keep parents informed of upcoming events, homework, tests, and such. The school website also features a calendar that is kept up-to-date. Surveys are available both online and in paper form, depending on the survey given. Progress reports and report cards are sent home regularly and parents can access grades online via Focus. Every day, agendas go home with the students so that parents stay up-to-date on the students' homework, achievement, and behavior. Weekly newsletters go home each week to keep parents informed of assignments, homework, and classroom activities. In addition, we have Open House and PTO meetings for parents who would like to stay more involved. The Backpack for Kids program has been a great community program for the district as a whole. Riverside has also partnered with the Jackson County Public Library to get library cards for as many of our students as possible in order for them to access e-books and audio books. It seemed like many of the other schools would like to further our partnership with JCPL to make our transition to e-books go more smoothly. In addition, a parent of an RES fifth grader has agreed to partner with us this year to help purchase AR Treats for the students who meet their AR goal and rewards for the students who read above and beyond their AR goals.

Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title	Email
Franklin, Chris	Principal	chris.franklin@jcsb.org
Johnson, Ashley	Instructional Media	ashley.johnson@jcsb.org
Commander, Hope	Instructional Technology	hope.commander@jcsb.org
Glover, Elizabeth	Guidance Counselor	elizabeth.glover@jcsb.org
Tharp, Sue Ann	Assistant Principal	sueann.tharp@jcsb.org
Pender, Melody	Guidance Counselor	melody.pender@jcsb.org
James, Cindy	Administrative Support	cindy.james@jcsb.org
Parmer, Kelly	Guidance Counselor	kelly.parker@jcsb.org
Cavanaugh, Paige	Teacher, K-12	paige.cavanaugh@jcsb.org
Poret, Nirra	Teacher, K-12	nirra.poret@jcsb.org
Roper, Kristie	Teacher, K-12	kristie.roper@jcsb.org

Duties

Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making

The Grade Group Chairs (Kristie Roper, 3rd; Nirra Poret, 4th; Paige Cavanaugh, 5th) meet with their grade groups each week. Mr. Franklin often meets with them; sometimes, they bring issues to Mr. Franklin. Grade groups e-mail their meeting notes/minutes to Mr. Franklin for review as well. Issues brought forward by these grade chairs are addressed by Mr. Franklin, Ms. Tharp, Ms. James, and/or the guidance department (Mrs. Glover, Mrs. Parmer, and/or Mrs. Pender).

Specific SST Roles/functions (one person may sure more than one role)

- Instruction Leader – (Administrator) - Ensures fidelity of the process, sets regularly scheduled times for the SST to convene, makes decisions on how T2 and T3 services will be delivered
 - Team Leader – Directs team activities, receives referrals for the SST, informs staff/parents, sets mtg times, ensures the proper documentation is maintained, and sets dates/times for follow-up meetings
 - Data Mentor – Assists in collecting, organizing, visually displaying, analyzing and interpreting data
 - Staff Liaison – Key communicator with staff, establishes procedures to gain staff input and collaboration with other school initiatives
 - Content Specialist – Assists in making key decisions about instructional needs of struggling students, identifies evidenced-based interventions most likely to be effective in addressing the area of concern, and provides training/consultation as needed
 - Record Keeper – Documents/completes required paperwork in the meetings, serves as timekeeper, informs team when time is running short.
 - Behavior Specialist – Assists in identifying function of problem behaviors and developing Behavior Intervention Plans, collaborates and provides training as needed
 - Teacher – of the student whose needs are being addressed
 - Parent/Guardian – of the student whose needs are being addressed
 - Speech/Language Pathologist –as needed–assists in developing interventions for speech/language concerns-provides training as needed to interventionists
- The SST collaborates with other school-based teams such as SAC, literacy leadership teams, grade group teams, the positive behavior support team, and other professional learning teams to analyze strengths and weaknesses in

academic/behavioral domains, and to initiate instructional modifications needed to increase student achievement for all students, and to meet SIP goals.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact

A school-based Student Support Team (SST) has been identified for the purpose of implementing a multi-tiered system of supports (MTSS) for all students. Universal screening data at the grade level, classroom level and subgroup level is analyzed to evaluate the effectiveness and needs of core instruction. The SST meets regularly on students identified as needing supplemental instruction beyond core (T2), and those needing more intensive/ individualized (T3) instruction. The SST reviews multiple data sources and engages in a 4 step data-based problem solving method to design and evaluate intervention plans that are targeted to student needs. Resources and service delivery are allocated according to the level of student need.

Title I, Part C Migrant- Migrant Liaison provides services and support to students and parents. Contact is maintained with Maria Pouncey, Migrant Program Coordinator. Established collaboration includes but is not limited to: a) assistance with interpretation for migrant parents at IEP meetings, parent meetings, teacher conferences, etc., b) Summer school or in-home tutorials for migrant students, and c) supplementary educational materials for teachers serving migrant students. Migrant staff will monitor

grades, attendance and confer, as needed, with teachers and parents regarding academic progress. Supplementary tutorials are offered to Priority for Services students on a regular basis during the school

year, all other migrant students will receive tutorial services as needed. Home visits are conducted as needed based on grades and attendance, and to offer health education and assistance to meet social service needs.

In-home tutorials with highly qualified personnel are offered during the summer for migrant eligible students. The curriculum is designed to improve reading comprehension, language expression, and writing.

Title II- Title IIA funds were used :

To improve and increase teachers' knowledge of academic subjects and enable teachers to become highly qualified;

Give teachers and principals the knowledge and skills to help students meet challenging State academic standards;

Improve classroom management skills;

Are sustained, intensive, and classroom-focused and are not one-day or short-term workshops;

Advance teacher understanding of effective instruction strategies that are based on scientifically based research;

To help reduce the student teacher ratio;

To provide incentives for teachers to add reading endorsement to their certificates;

Funds were used to pay the salaries for seven extra teachers to help reduce the teacher student ratio and 6 teachers received \$2400.00 as a one-time bonus for adding reading endorsement to their certificate.

Funds were also used to provide supplemental professional development activities during the summer

that assisted teachers and staff with understanding how to use technological tools with their academic subjects (\$32,406.33).

Title X Homeless- Homeless District Liaison works with schools to provide resources for students who

are identified as homeless under the McKinney-Vento Act to eliminate barriers for a free and appropriate education. The district form was revamped this year to include students that may be homeless due to hurricanes, oil spill, Haiti Earthquake.

Supplemental Academic Instruction (SAI)- Funds are provided to enrich the remediation opportunities for

students and support this remediation in collaboration with Title I, Part A. Title I, Part A provides additional staff, remediation, supplemental supplies, computer software, and training and parent resources.

Violence Prevention Programs- The district promotes a Safe Drug Free Environment at all schools. Random drug testing for students involved in extra curricular activities.

Nutrition Programs- Our District supports the Jackson County Wellness Policy.

Head Start- The School District of Jackson County provides various early childhood programs serving children birth to 5 years old. These programs consist of Early Head Start, Head Start, Voluntary PreK and Exceptional Student Education.

Early Head Start serves children from birth to 3 years old who meet eligibility requirements mandated by

federal regulations. Early Head Start in Jackson County grants priority and ensures services to children

of mothers who participate in the district's Teenage Parenting Program.

The Jackson County School District's prekindergarten program serves children who meet eligibility requirements for Head Start, Voluntary PreK and Exceptional Student Education programs at six different

sites. Although funded separately, all preschool programs complement one another in many ways and

are integrated to provide the most developmentally appropriate environment for three and four year old

children. These programs share staff, implement a common curriculum and follow the same daily schedule of activities both indoors and outdoors within their individual school sites. Comprehensive health and family services are provided to all families, although only required for Head Start. This collaboration makes available many inclusion opportunities for children with disabilities simultaneously

meeting Head Start federal regulations for enrollment opportunities.

School Advisory Council (SAC)

Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Ashley Johnson	Teacher
Chris Franklin	Principal
Hope Commander	Teacher
Casey Lawrence	Teacher
Jeanine Meese	Parent
Karen Elizabeth Carrel	Parent
Danielle Payne	Parent
Tere Morisseau	Parent
Krissy Martin	Parent
Mandy Griffin	Parent
Mercedes Young	Parent
Paige Cavanaugh	Teacher
Keely Elmore	Parent
Bridget Clikas	Parent

Duties

Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

Evaluation of last year's school improvement plan

G1: In the 2013-2014 school year, our percentage of students scoring a 3 or higher in FCAT Reading actually dropped. During this year, teachers were implementing both Common Core Standards along with Sunshine State Standards 2.0. This was a transition year. The test taken was FCAT 2.0, although the new curriculum adopted and used was based on Common Core. Overall percentages for students scoring a 3 or higher in reading are as follows: Third Grade, from 61% down to 57%; Fourth Grade, from 64% down to 56%; Fifth Grade, from 68% down to 61%.

G2: Points earned by content area unavailable for review at this time. Overall percentages for students scoring a 3 or higher in math are as follows: Third Grade, 57% up to 59%; Fourth Grade, 68% up to 76%; Fifth Grade, 52% up to 56%.

G3: Parental Involvement Committee was not formed.

Development of this school improvement plan

Mr. Franklin and a small team of Riverside Elementary teachers looked at our data in order to create a rough draft of the School Improvement Plan. Riverside's SAC is invited to help develop the School Improvement Plan. Council Members are provided with copies for review and are asked to participate in discussions regarding the development of the plan. All council input is considered in the development of the plan, which must be approved later by the council prior to submission. Additionally, council members are invited back at quarterly meetings to discuss progress monitoring, etc.

Preparation of the school's annual budget and plan

The School Advisory Council functions in accordance with the state rules and regulations regarding advisory council. The council will meet quarterly to discuss various aspects of the School Improvement. It will provide input, review and approve the School Improvement Plan. It will also decide how to spend funds in the School Improvement Budget. In addition, Mr. Chris Franklin and/or Mr. Michael Kilts will explain Title 1 information and how Title 1 funds are spent at Riverside

Elementary during the first meeting for all of the new council members. Input is requested of members throughout the school year.

Describe the use of school improvement funds allocated last year, including the amount budgeted for each project

Title I Discretionary (5101) \$18,900.00
 Title I Parental Involvement (5104) \$2,375.16
 Title I Additional FTE \$185,027.10
 Remediation (Federal) \$5,273.97
 Project 9508 (General) \$6,615.12

Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC

Yes

If the school is not in compliance, describe the measures being implemented to meet SAC requirements

N/A

Literacy Leadership Team (LLT)

Membership

Identify the name, email address and position title for each member of the school-based LLT.:

Name	Title	Email
Johnson, Ashley	Instructional Media	ashley.johnson@jcsb.org
Byrd, Sheri	Teacher, K-12	sheri.byrd@jcsb.org
Nichols, Holly	Teacher, K-12	holly.nichols@jcsb.org
Pender, Kim	Teacher, K-12	kim.pender@jcsb.org
Poret, Nirra	Teacher, K-12	nirra.poret@jcsb.org

Duties

Describe how the LLT promotes literacy within the school

The LLT will meet every other month beginning in September to discuss the positive and negative aspects of our reading curriculum and the Accelerated Reader program. We will work to provide assistance to teachers who are having issues with Florida Standards, the Wonders textbooks and materials, and/or Accelerated Reader. We will discuss the resources teachers are using to productively fill in any gaps in reading instruction and how the media specialist can assist with finding additional resources for Florida Standards and the upcoming new standardized assessment. We will also talk about how Accelerated Reader is being used successfully to motivate students and how that success could be communicated to and applied by any teachers who may be having trouble with the program. All minutes from the meetings will be e-mailed to the faculty and staff and the members of the team will communicate directly with the grade levels to address any issues that may further arise.

Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction

Riverside has continued to be a school of excellence year after year because of great leadership, extraordinary planning, and passion from our faculty and staff. We all work cohesively, planning together, ensuring our teaching lends itself to the children's future, not just their present. Teachers are extremely dedicated to participating in a continuous program of learning during regular work hours, as well as on their own time. On Friday, teachers meet with their whole grade group (in addition to weekly curriculum planning meetings). We meet formally for training and sometimes informally to just discuss issues within our grade levels. We discuss curriculum, and we problem solve. We also make sure that each teacher is on the same page with their teaching in all subjects. In addition, teachers attend grade and/or subject specific in-services, such as training with district consultants and curriculum specialists, and we participate in an ongoing study of Robert Marzano's book, *The Art and Science of Teaching*. In addition, Riverside Elementary School personnel are engaged in mentoring, coaching, and induction programs that are consistent with the school's values about beliefs about teaching, learning, and the conditions that support learning. These programs set expectations for all school personnel and include measures of performance. We have a strong New Teacher and Mentor Teacher program. We assess our professional development needs when completing our iObservation with Mr. Franklin, and then we attend workshops to support our instructional improvement.

Riverside Elementary prides itself on how well our faculty and staff work together. Many times we have discussed how wonderful it is to work in a place where you feel welcomed and loved. At Riverside, you feel as if you are a part of a family. We have not always agreed, we do not always have the same goals, and we certainly do not all think alike or teach alike, but every person on this campus loves children and keeps their needs above those of themselves, other faculty and staff, and the students' parents. Even with all of the changes in curriculum, staffing, testing, technology, and budgets, at the end of the day we can all agree that we are here for the children and each other.

Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school

1. Recruit- Jackson County works with Chipola College to recruit newly graduated teachers. Jackson County is also a partner with the Panhandle Area Education Consortium that advertises job openings for the district that is accessible on the World Wide Web.

Deputy Superintendent- Cheryl McDaniel
 Director of Elementary and Early Education-Carolyn Pilcher
 Principal- Chris Franklin
 August 2014-June 2015

2. Retain- Newly hired teachers are provided a mentor and district support through the beginning teacher program.

Director of Elementary and Early Education-Carolyn Pilcher
 Principal- Chris Franklin
 July 2014-June 2015

3. Retain- Professional development opportunities through the coordination of local, state, and federal funds sources to increase teacher effectiveness and retain qualified teachers by providing a conducive environment for improving professional knowledge

Director of Elementary and Early Education-Carolyn Pilcher
 Principal- Chris Franklin
 Michael Kilts-Supervisor of Federal Programs
 July 2014-June 2015

4. Retain- provide resources (tutoring for subject area exams, reimbursement for reading endorsement, Reimbursement for college courses, etc.) for teachers to

obtain their professional teaching certificate; become highly qualified in subject areas taught; and renewal of professional certificates for veteran teachers

Director of Elementary and Early Education-Carolyn Pilcher;

Principal- Chris Franklin;

Michael Kilts- Supervisor of Federal Programs

July 2014-June 2015

5. Retain- Support teachers to improve instructional practices through the evaluation process developed through Race to the Top using the Marzano Frameworks.

Director of Elementary Education- Carolyn Pilcher

Principal- Chris Franklin

September 2014- June 2015

Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities

Teacher Mentoring Program/Plan is the assigned responsibilities as outlined in the state approved Jackson

County New Teacher program. Our school has one beginning teacher for the 2014-15 school year. Our beginning teachers are paired with high performing, experienced colleagues in their grade level. Close proximity and effectiveness of paired teacher is taken into consideration for each pairing. Beginning teachers

also meet with content specialists on our school-based leadership team.

Ambitious Instruction and Learning

Instructional Programs and Strategies

Instructional Programs

Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards

We have adopted Go Math, Florida and Wonders, which are both based on the Florida Standards. Teachers were involved in creating a curriculum map of the Wonder's Reading Program with Vicki Taylor and Carolyn Pilcher. Our faculty members use CPalms, which aligns Florida Standards to our curriculum and provides them with lesson plans that will ensure Florida's standards are being taught. End of the Year Course Exams will be implemented this year, in addition to FSA, so students will be assessed on how well they have learned Florida's standards throughout the school year.

Instructional Strategies

Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments

Our teachers use AIPs, BIPs, IEPs, and 504 plans as needed to modify instruction and/or offer accommodations to meet the needs of our students. Our School Support Team works with parents and teachers to follow the Response to Intervention protocol and ensure that students having issues with behavior and/or grade-level appropriate instruction are given strategies and accommodations for their success. Furthermore, teachers use their ThinkLink and FAIR results in order to differentiate instruction for their students as needed. Teachers are continuously pulling additional resources and materials to help their struggling students, such as the reteach pages in Go Math and the leveled readers that accompany our reading curriculum, computer software such as Lexia, and using the

Accelerated Reading/STAR program to offer students books of appropriate levels to read and test their comprehension and vocabulary skills.

Reading and math remediation with current and retired teachers are offered for students who are working below grade level before school in the computer lab, during class time in small group instruction, and during their wheel time.

Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy type: Summer Program

Minutes added to school year: 5,400

Strategy Purpose(s)

- Core Academic Instruction

Strategy Description

3rd grade reading camp for students that failed reading state academic assessment.

Strategy Rationale

Increase the students' reading proficiency to a third grade level; increase students' test taking skills; move as many third grade students as possible on to the fourth grade

Person(s) responsible for monitoring implementation of the strategy

Pender, Melody, melody.pender@jcsb.org

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Florida assessment data determines student participation. Stanford 10 results determine student progression.

Student Transition and Readiness

PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another

We offer school visits for the second graders coming from Golson to Riverside and for our fifth graders going to Marianna Middle. The students are shown around campus and introduced to faculty and staff members. At the beginning of the school year, our third grade teachers once again show the students around the school, and the wheel teachers offer orientation to every group of students to teach them the guidelines, rules, and procedures.

In fourth grade, the students have two different teachers, and in fifth grade, they have three. This allows the students to familiarize themselves with the idea of switching classes, having different teachers for different subjects throughout the day, and the concept of organization and keeping up with their supplies as they transition from one classroom to another.

Riverside Elementary teachers are consistently following curriculum maps to ensure that our students are prepared for Marianna Middle School.

College and Career Readiness

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations

N/A

Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs

N/A

Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement

N/A

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes

N/A

School Improvement Goals

Goals Summary

- G1.** To Increase Reading Comprehension School Wide

- G2.** Increase Proficiency Rates of Exceptional Education Students with the exception of Gifted in Reading and Math

Goals Detail

G1. To Increase Reading Comprehension School Wide

Quick Keys: Goal: G053109

Targets Supported

Indicator	Annual Target
AMO Targets Reading - All Students	73.0

Resources Available to Support the Goal

- 1. ThinkLink Probes and Assessment 2. STAR and Accelerated Reader 3. Lexia 4. Vicki Taylor, District Reading Coach 5. FCAT TestMaker 6. RtI Process 7. Supplemental Remediation Teachers (2) 8. Morning Lab Remediation 9. Core Curriculum, including Wonders and Go Math

Targeted Barriers to Achieving the Goal

- Lack of knowledge concerning new standardized test (FSA) and resources aligning to Common Core/Florida Standards (transition)

<i>Plan to Monitor Progress Toward the Goal</i>	
Stay up-to-date on new developments with the upcoming assessment and resources available	
Person Responsible	Chris Franklin
Schedule	Semiannually, from 11/3/2014 to 6/30/2015
Evidence of Completion	Review of ThinkLink Data, results of new standardized assessment FSA

G2. Increase Proficiency Rates of Exceptional Education Students with the exception of Gifted in Reading and Math

Quick Keys: Goal: G053110

Targets Supported

Indicator	Annual Target
AMO Targets Reading - SWD	53.0
AMO Targets Math - SWD	51.0

Resources Available to Support the Goal

- 1. ThinkLink Assessments/Probes 2. FAIR 3. Lexia 4. Limited Use of iReady 5. Missy Rogers, Math Curriculum Specialist 6. Vicki Taylor, Reading Curriculum Specialist 7. Remediation before school in the computer lab, during school in small groups, and during wheel 8. Remedial teachers (3 - 2 reading, 1 math) 9. Core Curriculum, Wonders and Go Math

Targeted Barriers to Achieving the Goal

- Coordinating resource availability to maximize instruction with the constraints of scheduling, number of students needing services, and the rigor of the Common Core Standards/FSA

<i>Plan to Monitor Progress Toward the Goal</i>	
Monitor Lexia/iReady and ThinkLink results	
Person Responsible	Chris Franklin
Schedule	Quarterly, from 9/2/2014 to 6/1/2015
Evidence of Completion	ThinkLink results, FSA results

School Action Plan for Improvement

Problem Solving Key

G = Goal

B = Barrier

S = Strategy

G1. To Increase Reading Comprehension School Wide

G1.B1 Lack of knowledge concerning new standardized test (FSA) and resources aligning to Common Core/Florida Standards (transition)

G1.B1.S1 1. Meet with Vickie Taylor and other district staff as needed to receive updates on FSA and Common Core resources/materials 2. Use cPalms to select and use appropriate lesson plans that align to new standards and prepare students for new assessment 3. Reach out to and communicate with teachers from other schools, districts, and even states through sites such as Edmodo to obtain resources and lessons that better align to Common Core and will better prepare students for FSA.

Quick Keys: Goal: G053109, Barrier: B133874, Strategy: S145722

Strategy Rationale

Using the strategies above will help teachers and students stay on target with the Common Core standards and prepare students for the upcoming FSA.

Action Step 1	
Scores on ThinkLink will be analyzed throughout the year for each student and Enrichment will be given as needed. ThinkLink Probes will be given as needed to each student. Also STAR and AR will be reviewed by each teacher.	
Person Responsible	Chris Franklin
Schedule	Quarterly, from 9/2/2014 to 6/1/2015
Evidence of Completion	ThinkLink Assessments, STAR Assessments, FSA

Plan to Monitor Fidelity of Implementation of G1.B1.S1	
ThinkLink Assessments	
Person Responsible	Chris Franklin
Schedule	Quarterly, from 9/2/2014 to 6/1/2015
Evidence of Completion	FSA results

Plan to Monitor Effectiveness of Implementation of G1.B1.S1	
ThinkLink Probes throughout the year	
Person Responsible	Chris Franklin
Schedule	Quarterly, from 9/2/2014 to 6/1/2015
Evidence of Completion	ThinkLink Results

G2. Increase Proficiency Rates of Exceptional Education Students with the exception of Gifted in Reading and Math

G2.B1 Coordinating resource availability to maximize instruction with the constraints of scheduling, number of students needing services, and the rigor of the Common Core Standards/FSA

G2.B1.S1 1. Meet with District Math and/or Reading Consultants to obtain resources that will specifically assist Exceptional Education Students 2. Have students actively use iReady and Lexia in the computer lab with Remediation Teachers as well as during morning computer lab 3. Build specific ThinkLink probes to assess students' weaknesses and address their needs in small group settings 4. Meet with homeroom teachers, guidance, and parents to decide if students receiving services are utilizing them and need to continue with services. 5. Reach out to and communicate with other teachers of Exceptional Education Students to identify strategies that are helpful and successful in other locations.

Quick Keys: Goal: G053110, Barrier: B133875, Strategy: S145724

Strategy Rationale

By utilizing the strategies above, we hope to close the learning gaps from the previous years.

Action Step 1	
Review the amount of Level 1 & 2 Exceptional Education Students we have against the one math and two reading remediation teachers.	
Person Responsible	Chris Franklin
Schedule	On 9/2/2014
Evidence of Completion	Proficiency scores on new Florida assessment

Plan to Monitor Fidelity of Implementation of G2.B1.S1	
Implementation of math and/or reading remediation before and during school	
Person Responsible	Chris Franklin
Schedule	Quarterly, from 9/2/2014 to 6/1/2015
Evidence of Completion	Lexia results, iReady results, new Florida assessment results

Plan to Monitor Effectiveness of Implementation of G2.B1.S1	
Remediation activities during remediation time utilizing the math and reading consultants	
Person Responsible	Chris Franklin
Schedule	Quarterly, from 9/2/2014 to 6/1/2015
Evidence of Completion	FSA results

Professional Development

Professional development opportunities identified in the SIP as action steps to achieve the school's goals.

G1. To Increase Reading Comprehension School Wide

G1.B1 Lack of knowledge concerning new standardized test (FSA) and resources aligning to Common Core/Florida Standards (transition)

G1.B1.S1 1. Meet with Vickie Taylor and other district staff as needed to receive updates on FSA and Common Core resources/materials 2. Use cPalms to select and use appropriate lesson plans that align to new standards and prepare students for new assessment 3. Reach out to and communicate with teachers from other schools, districts, and even states through sites such as Edmodo to obtain resources and lessons that better align to Common Core and will better prepare students for FSA.

PD Opportunity 1

Scores on ThinkLink will be analyzed throughout the year for each student and Enrichment will be given as needed. ThinkLink Probes will be given as needed to each student. Also STAR and AR will be reviewed by each teacher.

Meet with homeroom teachers, guidance, and parents to decide if students receiving services are utilizing them and need to continue with services. 5. Reach out to and communicate with other teachers of Exceptional Education Students to identify strategies that are helpful and successful in other locations.

PD Opportunity 1

Review the amount of Level 1 & 2 Exceptional Education Students we have against the one math and two reading remediation teachers.

Facilitator

Administration, Guidance, Teachers

Participants

Exceptional Education Students

Schedule

On 9/2/2014

Evidence of Completion

Proficiency scores on new Florida assessment

Technical Assistance

Technical Assistance opportunities identified in the SIP as action steps to achieve the school's goals.

Budget Rollup

Summary

Description	Total
Goal 1: To Increase Reading Comprehension School Wide	8,760
Goal 2: Increase Proficiency Rates of Exceptional Education Students with the exception of Gifted in Reading and Math	3,075
Grand Total	11,835

Goal 1: To Increase Reading Comprehension School Wide

Description	Source	Total
B1.S1.A1 - Discovery Education Progress Monitoring	Title I Part A	4,960
B1.S1.A1 - Accelerated Reading Program	General Fund	3,800
Total Goal 1		8,760

Goal 2: Increase Proficiency Rates of Exceptional Education Students with the exception of Gifted in Reading and Math

Description	Source	Total
B1.S1.A1 - Lexia Reading Intervention	Title I Part A	1,875
B1.S1.A1 - iReady Math Intervention	Title I Part A	1,200
Total Goal 2		3,075
