

Accessibility Plan

Liberty County School District is committed to providing a website that is accessible to the widest possible audience, regardless of technology or ability. This website endeavors to comply with best practices and standards defined by Section 508 of the U.S. Rehabilitation Act.

Liberty County District Website ADA Compliance Plan

1. Plan to convert all Non-Compliant PDF documents to be compliant with assistive technologies.
2. Add descriptive information to picture, logo and any other images located on our website.
3. Review color schemes to make sure the colors are standard schemes used in all web browsers.

Timeline for Compliance

Liberty County Schools started the implementation of these changes on July 1, 2016 and will continue working to make our web pages as accessible as possible to better meet the needs of People with Disabilities. This will be an ongoing effort as we will need to update information on our site on a regular basis.
