Course Request Guidelines: Please read these guidelines and initial by each.

1. _____ Each student must select four (4) core classes and six (6) electives. Two (2) of these will be alternates.
2. _____ All of the classes on the course request sheets are requests: they do not represent a student's schedule next year. Students are scheduled based on course availability and the number of requests.
3. _____ Elective courses will only be offered if there is a sufficient enrollment.
4. _____ List your **electives** in order of preference: "1" for most important; "2" for the next important, and so on.
5. _____ All requests for honors will be reviewed. Students are placed in honors courses based on the Washington County School District Honors Rubric.
6. _____ Parent and student signatures must accompany this form and be returned to your Homeroom Teacher by April 3, 2015.
7. _____ It is understood that this form represents your requests. No schedule changes will be made that differ from the course request sheet except in cases of improper course level, lack of a prerequisite, or courses completed in the summer school. Changes for any other reason will be made on a space available basis only.
8. _____ Please remember that this is a course request form, not a request for specific teachers. Different teachers may teach courses within a year or from one year to the next.
9. _____ No changes to course requests will be accepted after May 15, 2015.

I have reviewed the course selection guidelines and the course request for the 2015-2016 school year by my student. We both agree that they are appropriate for his/her ability level and will provide suitable preparation for the post-high school years.
