2017-18 DUAL ENROLLMENT OPTIONS

Thank you for choosing FPTC to aid in developing your desired career. High school students have the dual enrollment option of attending career and technical education (CTE) courses through the Tech College. This opportunity will lead to earning high school credit(s) and lead to earning a technical certificate and industry certifications with a possibility of college credit through statewide articulation agreements. In order for the experience to be meaningful, dual enrolled students must attend a minimum of 2 hours daily. To be eligible, the student must be at least 16 years of age and have a cumulative unweighted GPA of 2.00 or higher.
